

Mayor Ray Toft signs the proclamation designating Poppy Day in Antioch. Left to right, V.F.W. Commander Kenneth Liddle and Mayor Toft.

Be A Buddy— Buy A Poppy

Mayor Ray Toft today gave his wholehearted support to the Veterans of Foreign Wars Buddy Poppy Campaign which will be held on Friday night and Saturday, May 19 and 20, in Antioch.

In explaining his reasons for backing the campaign, Mayor Toft stated: "The wonderful things that the V.F.W. is doing with the proceeds from the annual Buddy Poppy Sale more than warrant a generous contribution from each member of this community. The prompt help given to our disabled and needy veterans, the magnificent care given the orphans and widows of our honored war dead, the fostering of

true Americanism—these are some of the highly commendable things being done by the V.F.W. through our support of the Buddy Poppy Sale."

"When we buy our Buddy Poppies on May 19th and 20th," continued Mayor Toft, "we may give heartfelt thanks that in this small but important way, we are able to acknowledge that everlasting debt of gratitude we owe those courageous men who were ready to give their lives at a time when our nation could not survive without them. Hundreds of thousands did give their lives, and those men we cannot forget!"

Mayor Forms New Safety Commission

Mayor Ray Toft appointed the remainder of his committee at Tuesday night's meeting of the village board. He also appointed a replacement for Ernest Glenn on the Planning Commission. Robert Schroeder, 486 Maplewood, was the Mayor's choice for the seat on the Commission. Toft re-appointed Fred Walpole as chairman of the Zoning Board. Art Laursen was re-appointed to the board, and two new members, Jack Polan, North Ave., and Charles Cernak, Cernak will be serving the remainder of the three-year term of Rick Radke.

The Mayor also announced that he is creating a new Safety Commission. Chairman of the Safety Commission will be James Erdman. Other members will be announced later.

The new commission, the Mayor said, will make recommendations to the board concerning overall safety measures needed in the village.

NEW FIREMEN APPROVED
The board approved membership in the Antioch Fire Dept. of two new firemen, Vernon Burdick and Roman B. Vos, Jr.

VILLAGE INSURANCE
John Romer discussed insurance problems, particularly in regard to the Mutual Aid policy with other villages discussed at the previous meeting. The directing body, Romer said, would be responsible in case of any liability incurred by an Antioch policeman aiding in another village in an emergency, such as a riot.

Romer advised that the village add coverage for police brutality suits to its present policies, and the addition of insurance which would cover the Mutual Aid obligations. He also advised additional coverage to insure individual village employees against suits that might be brought against them personally as the result of some action on their part while they are carrying on village business.

NEW SQUAD CAR
Arthur Meierdick, chairman of the Police Committee, announced that a new squad

car is needed. Mayor Toft said that he thought the board should consider rental of a squad car. The board approved a motion to advertise for bids for the purchase or rental of a police car. The bids will be opened at 8 p.m. June 7.

Meierdick also announced that the village of Fox Lake had notified the police department that a charge of \$5 will be made for each Breathalyzer test, to determine whether or not persons are intoxicated. Meierdick recommended that the board consider purchase of a Breathalyzer for the Antioch police.

Police Chief Harold Mason said that double parking at some of the plants in Industrial Acres is creating a traf-

Legion Cites Members Of Police Department

American Legion Post No. 748 presented Certificates of Achievement to Police Chief Harold Mason, former Chief Jack Heck, Garnett Odds and Jack Davis at Tuesday night's meeting of the village board.

Commander Bernard Stadick of the Legion presented the awards to Chief Mason.

To Open Headstart Center In Antioch

A Headstart center will be opened in Antioch in the near future. Applications for pre-school children to be enrolled in the program are being taken now.

This program seeks to develop the total child—for intellectual, emotional, social and health enrichment.

Although the program is designed particularly for families whose incomes meet Federal criteria, others who are interested may apply.

Parents may present names and addresses to Community Action Project, 108 S. Genesee St., Room 205, Waukegan. Headstart workers will call.

Martha Rosing Dies At 60

Mrs. Herman (Martha) Rosing, a lifelong resident of the Antioch area, died Wednesday, May 17, in Presbyterian St. Luke's Hospital in Chicago.

Mrs. Rosing was born May 17, 1907 in Speers, Ill., moving to Antioch as a child. She was the daughter of the late William and Bessie Hillebrand who operated a general store in Antioch for many years.

Mrs. Rosing is survived by her husband, Herman, and one niece, Ernestine Heines of Dayton, Ohio.

Funeral services are pending at the Strang Funeral Home in Antioch. Friends desiring may make contributions to the Antioch Rescue Squad, the Heart Fund or any other charity in lieu of flowers.

Dies After Heart Attack

William J. Anderson, 64 years of age, of 1712 Columbia Bay Drive, Lake Villa, died at 3 a.m. Saturday, May 13 in Victory Memorial Hospital following a heart attack which he suffered on May 4. Mr. Anderson resided in Antioch for several years before moving to Lake Villa.

He was born Feb. 18, 1903, at Gladstone, Michigan, and had lived in Sault Ste. Marie, Michigan and Duluth, Minn., before moving to Lake County in 1927. He had resided at Lake Villa for the past ten years.

Mr. Anderson started work with the Public Service Co. in 1927 in the Industrial Relations Department, then transferred to the overload department in 1930, and was working for Commonwealth Edison up to the time of his illness as a District Superintendent.

Mr. Anderson held membership in the Antioch Methodist Church, was a past master of Sequoia Masonic Lodge No. 827 A.F. & A.M. at Antioch and the Antioch Chapter Order of the Eastern Star, the Medinah Temple of the Shrine, Assistant Director of Shrine Clubs for Medinah Temple, Lake County Shrine Club, Royal Order of Jesters, and several other Masonic orders. He had served as president of the Chesney Shores Association.

He is survived by his wife, Louise M. Anderson; two sons, William D. of Waukegan and Capt. James Anderson with the U. S. Army at the Aberdeen Proving Ground in Maryland; one sister, Mrs. Edith (John) Stromberg, Winslow, Arizona; two brothers, Frank of Hibbing, Minn., and Russell J. Anderson of Northbrook, Ill., and five grandchildren.

Funeral services were held at 2:30 p.m. Tuesday at the Antioch Methodist Church, and a Masonic service was also held at that time. The Rev. Donald Cobb of the Antioch Methodist Church officiated at the service. Interment was in North Shore Garden of Memories Cemetery at North Chicago, Ill. Memorials may be given to the Shriners Crippled Children's Hospital.

Diamond Jubilee Coins Available

Souvenir coins of Antioch's Diamond Jubilee will be available tomorrow (Friday), it was announced by Art Meierdick, who will distribute the coins to businesses and organizations.

Sale of the coins will form a fund for support of the Diamond Jubilee activities. The coins will be sold on consignment. Payment will be made at the State Bank of Antioch by those accepting the coins on consignment.

A limit of 300 for organizations and 100 for businesses, at one time, has been set on the distribution. However, they can receive further consignments.

Pegson Reckers will be in charge of payments at the State Bank of Antioch.

Anyone wishing to sell the coins may call Art Meierdick at 395-0033 between 8 a.m. and 5 p.m., Monday through Friday, and at 395-0600 at other times.

Plan Industrial Program

Henry A. Pickard, Jr., chairman of the Industrial Committee of the Chamber of Commerce, has developed a program for action for the committee for the coming year. The actions outlined in his program were approved at a recent meeting of the Board of Directors.

The program involves (1) Encourage a more active role for industrial leaders in village affairs; encourage better communication between industry and the community

at large; acquaint local citizens, particularly the younger citizens, with the employment opportunities that exist in local industry.

(2) Improve the physical appearance of the industrial area by keeping it free of dumping and trash as much as possible.

(3) Attempt to stimulate construction of additional reasonably priced housing in the Antioch area, particularly rental housing.

Locate Antioch Soldiers On Map At Post Office

Anyone who visits the Antioch Post Office from now on will be able to get a clear picture of Viet Nam and just where the Antioch boys serving in the battle area are located, thanks to a recently returned Marine and his mother.

The Marine is Ronald Yates of Rock Lake; his mother is Mrs. Earl (Helen) Yates of 287 Bridgewood in Antioch.

Ronald spent four years in the Marine Corps, much of

it in the Far East. Thailand and Okinawa were among the places where he put in some of his service. He returned home in March and is now working at the Antioch post office.

He got the idea of making a large map of Viet Nam, showing where each boy from the Antioch area was based. His mother joined wholeheartedly in the idea and together they went to work on it.

The map is drawn on a 4' x

5' piece of styrofoam from Frostee Sno. It's accurate, because they took a map of Viet Nam and projected it, enlarged, on a screen with a slide projector, then traced it.

Felt marking pens were used to draw borders, rivers and highways. Air bases and cities are also marked on the map.

They raided the toy box or Ronald's three-year-old son, David for some tiny toy planes, ships and soldiers to add color and realism to the

map. Then they presented it to Postmaster Joe Wolf and it now hangs in the post office.

The first soldier to be located on the map was Sp/4 Danny Yates, Ronald's brother, an artillery surveyor who has been in Viet Nam ten months. Colored pins hold the soldier's name in place on the map at his base. Danny was in the hospital at Qui Nhon with malaria. Danny said he was feeling better at the time of writing.

Wives, mothers or other relatives are asked to come to the post office to locate their soldier's place on the new map. When it's complete it will give a picture of where Antioch boys are serving.

With the map completed, Helen and Ronnie Yates got the idea to get another styrofoam board for a picture gallery of Antioch boys serving in Viet Nam. So, again, if you have a picture of your serviceman, bring it into the post office and have it placed on the picture gallery.

Two letters were received by the post office staff this week from boys in Viet Nam. The first is from Dean Dowell of Rt. 3, Antioch. To the members of the Post Office:

I am just dropping you this little note to tell you how much the packages that you send are appreciated.

The items that I have received have been used by all the men in my hut, so I should say that we all appreciate it.

The soup and Kool Aid is really great because many times we are on the road for 2 and 3 days at a time and when we have a stop, it is good to have some soup and Kool-aid with our Crations. Thanks again and I hope you can keep this program going.

Sincerely,
Dean Dowell

P.S. I have been over here for 11 months and I have yet to see men getting support from their communities like the men from Antioch are getting. THANKS AGAIN.

The second letter is from Frank Wais, recently promoted to SP/5:

Hi again:

I'm as fine as can be and hope all of you are too.

You sure are keeping me busy with those packages. I've gotten so far behind in my writing it will take a week to catch up.

For the past two weeks I have been moving into a new area and have been very busy building it up.

We've been working from sun-up to sun-down every day and believe me I'm tired.

I haven't much time left here. I'll be home in December. I know that's pretty far off yet, but I keep telling myself I don't have much time left and it helps me get through.

Ge, I almost forgot to thank you for those packages and the paper.

Well, guess it's time to go. I've got a lot of letters to write tonight to catch up.

Sincerely,

Frank

P.S. oh, yes, I've been promoted to SP/5.

A new name has been added to the list of Antioch servicemen now serving in Viet Nam—Pfc Dennis Yasz.

Donors this week to the Viet Nam project are the State Bank of Antioch, Ed Sorenson, Harry Willett, John Blackman, Mrs. Paul M. Ferris, Mr. and Mrs. Richard Hedberg, Marge Gaa, Mr. and Mrs. Ed Jacobs, Chicago Ink & Research Co., St. Peter's School, Mary Chase, Jim and Doris Caple, Benedictine Fathers, Tim O'Connell.

Mrs. Earl Yates and her son Ronald with the large map of Viet Nam they presented to the Antioch Post Office. Names of Antioch boys serving in Viet Nam will be placed on the map at their bases.

Mrs. Brook Chairman Of Doughnut Day

Mrs. William E. Brook, Route 21, Antioch, will serve as chairman for Antioch for The Salvation Army's area-wide tag day, "Doughnut Day," to be held on Friday, June 9. The Antioch Woman's Club will sponsor the tag day in Antioch.

The appointment was announced today by Mrs. Earl O. Ehrhardt, 194 S. Hawthorne Ave., Elmhurst, general co-chairman of the drive. "Doughnut Day" will be held in Chicago and 141 suburban communities.

As chairman, Mrs. Brook will organize and direct those who volunteer as taggers to help raise funds for the social welfare services The Salvation Army offers to the needy.

Taggers are needed to volunteer just two or three hours of their time to sell the little doughnut-shaped paper tags. Individual taggers, teams of friends and club groups can request tagging assignments by calling Mrs. Brook at 395-1166.

In Antioch, as in other communities where Salvation Army Service Units are organized, 20 per cent of the funds raised in the local "Doughnut Day" drive will remain in the communities. These funds will be used to meet local emergencies, and to finance unduplicated programs of welfare or health care.

Each Service Unit, comprised of representative residents acting on behalf of The Salvation Army, decides how the funds will be used to assist needy individuals or families in the community.

The other 80 percent of the tag day contributions will help the area-wide services maintained by the Army.

A.C.H.S. Champs To Be Honored

Johnny (Red) Kerr, coach of the Chicago Bulls will speak at the special banquet honoring Antioch High's Basketball team. The affair is being sponsored by the State Bank of Antioch and will be held at Lorenz's Country House Sunday, May 21, at 6:30 p.m.

The Antioch Team won its third straight IHSA District title at Wauconda, captured its second Northwest Conference title in a three year period and won the school's first regional crown at Palatine. The Sequoia, coached by Roger Andrews, finished the season with a record of 26-5, the best win record in Antioch basketball history.

Mr. Kerr, personable 6-9 redhead, astounded the skeptics by overcoming the heavy odds against keeping an expansion team out of the cellar. He guided the Bulls to a remarkable 33 victories and into fourth place and the playoffs on the wings of a late-season surge. His team was built on speed, hustle, and defense, in fact, one of the most exciting pro-entries in the league.

Red broke in with Syracuse in 1954 as the Nat's No. 1

Unnecessary Laws

Whatever happened to the idea that legislators were elected to serve the public?

Present-day legislators are obviously convinced that their role, rather than being a servant of the public, is that of a caretaker. Their task, it would seem, is to watch over thousands of irresponsible, not-too-bright citizens who are unable to decide what is best for themselves.

Too much legislation now in the Illinois General Assembly is aimed not so much at the general welfare as to regulating the lives and movements of people well able to take care of their own affairs.

Aside from the irksome and unnecessary regulations imposed on responsible, law-abiding citizens, in the hope of catching a minority of lawless, irresponsible persons in the huge net, the cost of administering each of these laws is adding unnecessary and wasteful expense to a government that is already too expensive.

The gun-registering law is one example of this trend. In an attempt to keep guns out of the hands of people who would misuse them—and it's ridiculous to think it will accomplish this aim—the whole body of responsible citizens are being legislated against like common criminals.

And another shining example of unnecessary and wasteful legislation is the bill recently introduced to set up a Medical Review Board to determine whether or not a person is fit to drive a car. We already have a driver licensing system. At the time you take your drivers test you answer questions concerning your fitness to drive.

Bills of this sort assume that the average citizen is a liar, and must be forced to prove that his health is good enough to allow him to drive a car. And bills of this sort are one of the reasons for growing contempt for the law. They force responsible, competent persons to practice duplicity in order to make a living.

The bill carries with it an appropriation of \$350,000 to start it off. Of course, if it passes, more money will be needed at a later date.

It provides some work for doctors, who most certainly are not in need of employment. It means more expense for every driver, in the form of mandatory physical examinations. It means invasion of privacy, and it will not make even a small dent on the number of traffic accidents.

It would be considerably more helpful if the proposed \$350,000 were used to pay more police to patrol the highways, or in making needed highway repairs. And it might help to keep down taxes if numerous legislators and government officials would quit trying to think of more ways to spend money in policing the general populace and concentrate on using what money they have for the benefit of the man who pays the bill.

Buy A Buddy Poppy

It's nearing the end of May—a time of the year when we pay honor to those men who fought and died to keep Old Glory flying high above our Nation's Capitol.

There will be parades and speeches, the wearing of red, white and blue. There will be picnics and outings by families and groups.

Everyone will know this is the time of year when we honor our war dead. It's Memorial Day.

Symbolizing the touching holiday each year is the sale of Buddy Poppies by the Veterans of Foreign Wars of the United States and its Auxiliaries. The Buddy Poppies are made by disabled veterans in V.A. Homes and Hospitals, who receive a nominal wage for their labor.

Buddy Poppies will be sold on street corners, in stores, at banks, and most any place where the public gathers.

The wearing of a Buddy Poppy symbolizes one's patriotic spirit and emphasizes his appreciation to the men who fought and gave their lives on the field of battle.

We think of those who returned and wait out their days in the ether-scented halls of Veterans Administration hospitals. We think of the heart break of mothers and fathers who gave up their cherished dreams for stalwart sons. Yes, we pause—at least briefly.

This is the time of year we salute the veter-

ALONG THE WAY with Annie Mae

Attention Jubilarians

The Diamond Jubilee coins are now in Antioch's hands and available to clubs and organizations for promotion. They will cost one dollar, and are so nice they'd make a lovely medalion for a sweater girl.

Additional Facial Fescues

Some more names to add to the list of bearded ones are, Vic Lubkeman, Roger Plechaly, Ken Nelson, Rick Koenig, and Dale Hoffman.

Little League is planning a booklet with pictures of all the teams and sponsors. I understand they're looking for the exact year Antioch's Little League originated. Does anyone know?

Congratulations

That lovely dark haired beauty Colleen Gross, was crowned Queen of the Prom last Saturday. Bob and "Mike" Gross were the beaming parents!

Additions and Corrections

Word is out that the Joe Gutowski, Corky Hills, and Paul Eckerts will be making additions in late fall, and I don't mean walls!

Honor Plaques

The American Legion's theme for the year is "Promote Law and Order." They did so this week by honoring Jack Heick, Harold Mason, Jack Davis, and Garnet Odden. Hear tell we're supposed to get our own breathalizer for all the inebriates caught!

Weekend Visitors

Mr. and Mrs. Onno Haak were surprised by a visit from their son Dick, his wife, Alexa, and their two children. They traveled from Philadelphia, Pa.

Swinging Time

Wonder which one of the gals spiked the punch at that Tupperware party?

Don't forget project Viet Nam.

Sincerely,

ANNIE MAE

Courthouse Notebook

BY LOU DURKIN

Recent news stories about an American destroyer, the USS Walker, having a brush with a Russian destroyer in the Sea of Japan brought back old memories to a "former Naval person."

The Walker was commissioned on a cold, raw April day in Boston's historic Navy Yard way back in 1943 and saw service in the Atlantic, Caribbean, and Pacific during World War II.

The slim 2100 ton "tin can" established a solid reputation as a fighting ship, but to the consternation of Shore Patrols in Boston, Portland, Maine, Norfolk, Trinidad, Aruba, Casablanca and Pearl Harbor, the fighting was not confined to the sea.

There was the time practically the entire crew "volunteered" for non-existent working parties and stormed in to Port-Au-Spain in Trinidad to avenge a shipmate who had been worked over by some of the local citizenry.

And there was another occasion when the Walker crew successfully took over every grog shop in a port town in Aruba by the simple expedient of ejecting everyone not from the ship.

Unfortunately, by the time the last oasis was reached it was filled with evacuees from earlier stops and the Walker crew was somewhat outnumbered in the ensuing melee.

The Shore Patrol in Norfolk, home base for the ship for a few months, operated a regular taxi service for the crew until, wearying of the duty, the Navy cops prevailed on higher authority to restrict the free-swinging "tin can sailors" to the ship when ever the old 517 hit port.

There were interesting times aboard the ship, too. Like the time when a torpedo from the ship, accidentally fired during a drill, almost sank the U.S.S. Augusta which was carrying the then Secretary of State Cordell Hull to an important conference in Casablanca.

There were moments of shared glory when the Walker was dispatched to a Caribbean site to assist in the sinking of a German U-Boat which was under attack by a Navy blimp and patrol plane.

By the time the Walker arrived the sub had been sunk, but the ship captured the U-Boat crew and brought them back to Norfolk, Va.

In 1944 the Walker was sent to the Pacific to join the Navy units engaged in the island-hopping that was to lead to the home of the Japanese.

The ship did escort duty with the carriers and shore bombardment ships which softened up the Japanese defenses at Tarawa and Kwajalein and got in a few licks with its five inch guns during the diversionary bombardment of Wotje, a small atoll in the Marshall chain.

The Walker was at Hollandia in New Guinea and Guam before returning to Pearl Harbor for a rest and

repairs and for the transfer of this former navy person.

The departure was somehow typical of the spirit of the Walker. The good ship's doctor made a few adjustments in the medical brandy inventory to provide the necessary ingredients for a going away party in our state room, but righteously declined to join the festivities because "The consumption of alcoholic beverages aboard ship is deemed improper."

It is not hard for this "former Naval person" to conjure up an image of that earlier Walker crew forming a boarding party to do battle with the Russian crew after a couple of incidents as related in the news accounts of the recent collision.

And it would have been quite a liberty if that crew had encountered the Russians "on the beach" in Tokyo or Yokosuka after the at-sea bumping.

No doubt an international incident would have developed, but there would have been considerable satisfaction in extracting some small measure of revenge.

Letters to the Editor

The Antioch News:

The occasion of ARMED FORCES DAY, May 20th is a time for all Americans to stand in proud salute to the men and women who in service to their country give by their dedication the deepest meaning to these 3 words, "POWER FOR PEACE". It is not by chance that those words form the slogan on Armed Forces Day. For we have for nearly one half century worked diligently for a strong defense posture.

Our efforts could be summed by saying that we want our country to have the best Army, Navy and Air Force; in personnel, in equipment, and in training that money can buy. We feel that America can afford no less. She must exercise vision in this area... not compromise.

Just last month (April 6), America observed the 50th anniversary of her entry into World War I. This was the beginning of America's majority in world affairs. Our entry into that terrible conflict forced upon us the launching of this nation as a world power.

Our emergence of that world power has been one that reflects a sense of world responsibility... irrevocable world responsibility. This responsibility will depend directly on how realistically, and how firmly we stand prepared to do so.

Two and a half decades of standing off a ruthless enemy, bent on aggression with the aim of political tyranny of the world, has developed a solid fighting man. American soldiers, sailors, marines, airmen and coast

ans who gave their lives. Let's not forget those who are alive and need the aid provided by funds derived from the Buddy Poppy sale.

We urge everyone to buy a Buddy Poppy and wear it proudly.

Your Congressman Reports....

By Cong. Robert McClory

Politically inspired efforts to raise social security benefits have placed the entire social security program in jeopardy. These threats coupled with the Administration's astounding suggestion to tax social security benefits emphasize the need for an objective analysis of the system.

When originally introduced some 30 years ago, social security was touted as an "insurance" plan. It was claimed that the employee and employer contributions would be sufficient to discharge the beneficiary payments. In other words, it was considered that the social security fund would remain "actuarially sound."

Even as recently as 1964—when the Congress established Medicare, the funds for the new program were kept

guardmen are better educated than any previous year, are better informed and have traditional American ingenuity and initiative. They are better physical specimens, have high morale, and understand what the war is all about.

While he is not, by his very nature and background, drawn to warfare, he nevertheless realizes that it is a job the enemy imposes on him that has to be done... and he gets it done.

In South Viet Nam, they stand, in valor and dedication, not in the shadow of, but equally, with others called to arms when our nation's security, beliefs and principles were put to the test. In adaptability, in resourcefulness, they are probably without equal in the history of the United States of America.

Backed at home by resolve, confidence, patience, determination and continued support, they will prevail in Viet Nam over the communist aggressor.

To day's fighting man knows his enemy, what he is fighting for and that he is better trained and equipped to fight a war, and... that he KNOWS HE IS GOING TO WIN.

We at home can demonstrate our patriotism by flying Old Glory on Armed Forces Day.

Joe Martin
Americanism Officer
American Veterans Press

To the Editor:

The brief synopsis (News Sun, May 13) of the Lake County Bar Association's "do it yourself" production, "Yes We Have No Mardamans," leads one to judge the playlet must have been hilarious—deserving, really, of more than a two-night stand, and exposure to other than Bar-men and their guests.

This conclusion prompts the suggestion that either the next Saturday's Week-End Life carry the full text, with pictures of the actors, or that he trope do a series of one night stands in various locations in the County. This would afford the taxpayers, who are really the butt of this huge joke, the opportunity to laugh at the judges, the supervisors, the Bar Association and themselves.

I am wondering, since the synopsis was brief, whether the skit made reference to the Association of Collective Taxpayers; no courthouse play would be complete without them. If not, before the show goes on the road, may I submit for inclusion, a 3rd floor courthouse scene with the following ditty—to the tune of The Sidewalks of New York?

East side, West side,
all around the town
The Judge had charged the

Jury
"Probe and pin collusion
down.

Seize and search the records
Of ACT, that vocal few.
This will teach them,
once for all

Just what the Law can do."

separate deliberately in order to maintain the integrity and solvency of social security.

The efforts of organized senior citizens' groups, coupled with the stark reality of inflation, have brought about competing proposals to expand and increase social security benefits. Republican-inspired measures include (a) an automatic cost-of-living increase and (b) an 8-percent across-the-board raise. Neither of these measures contemplates an increase in social security taxes. The Democratic recommendation is for an average 20-percent raise in benefits—and a consequent boost in payroll taxes.

It should be pointed out that present social security taxes total almost 9-percent on earnings up to \$6000 and these rates will increase to 11-percent by 1973—even on the basis of present benefits.

Both of the pending proposals appear to ditch the principle of "insurance"—in favor of a program of "welfare." If this trend continues, social security costs could skyrocket. In some European welfare states combined payroll taxes to defray the cost of benefits of their programs have reached 50-percent—as, for example, in Italy.

The Administration proposal to "tax" social security benefits fails to take into account that such income of the beneficiary has, for the most part, already been taxed. It is true that an elderly person who has no income other than his social security payments would be exempt. Still, a senior citizen who has been sufficiently industrious or frugal to salt away funds from which he or she derives additional income—should not be discriminated against on that account.

Accrued liabilities of the social security system are estimated at more than \$1 trillion. As these liabilities increase—without corresponding contributions—the welfare of our younger citizens is jeopardized. These young people either through increased tax rates—or an inflated currency—will have to pay for the added benefits which today's senior citizens may receive—but toward which they will have made no financial contribution.

Senator Charles Percy of Illinois has advanced a low-income home ownership plan that could transform living conditions for the poor of America.

It seems to be generally conceded that public housing, urban renewal and various other existing federal programs has failed to rid our cities of slum areas. Even the controversial—or expensive—device of federal "rent supplements" (or subsidies) seems no more promising.

Senator Percy—a successful business man before he entered the U. S. Senate—has developed a plan to help poor people acquire their own homes. His National Home Ownership Foundation provides a federally chartered corporation with authority to borrow \$2 billion in debentures guaranteed by the Federal Government.

This corporation (Home Ownership Foundation) in turn—may guarantee up to more than 90% of the amount borrowed from a local lending institution for purchase of a home or an apartment. The Foundation may also pay part of the purchaser's interest charges—which may be recouped upon a subsequent sale of the property or when the purchaser's financial condition has improved.

Senator Percy and others point out that to own one's home provides a sense of dignity and motivation which can raise the morale of many Americans now living in squalid areas. Such a plan, if successful, can improve the appearance of both cities and suburbs—reduce crime and juvenile delinquency, and help solve other problems that beset our great metropolitan areas.

Another part of the Home Ownership program would encourage self-help. Under the plan, purchasers may increase their equities by contributing materials and labor to the construction of their homes.

The popularity of the Percy plan was evidenced by the unanimous support given it by the Republicans in the Senate—and by more than 100 Republican Members of

As It Happens —

By Rep. W. J. Murphy

City Sales Tax Passes House

It never stops—last week we told you about the "broadening bills" that will put taxes on your medical bills, haircuts, baby buggies and coffins! This was for needed State Income Revenue as recommended by Governor Kerner. Now the Mayors from all over the State, led by Mayor Daly of Chicago, and including many of the Mayors, (not all of them) from Lake County have descended on Springfield, pressing the Legislature to pass another 1/2 cent increase in Sales Tax for the Municipalities which would raise our Sales Tax to 4 1/2 cents—which means a nickel. This would give Illinois the dubious distinction of having the highest sales tax in the land!

Now don't misunderstand. I know the Mayors of our Municipalities have a real and continuing problem. Their police, their firemen, street and water employees all are clamoring for more money; and in this time of continuing rising prices, they need more money. We can't blame them for the municipalities' problems by saying in law, "you must do this, you must do that—and you figure out how to pay for it."

Then the Mayors also use the old plea, "our people are demanding these services." This latter statement always angers me. I insist that the ones continuing to use this statement are the elected and/or appointed officials and not the people. It is my belief that the people are fed up and do not want more services with the necessarily attached—more taxes!

The 1/2 cent increase in Sales Tax did pass the House and now goes to the Senate. I believe it will pass by a narrow margin after a lot of debate. This writer did not vote for it for many reasons. In the first place if Governor Kerner's broadening bills go through adding service tax to almost every employment, this should almost

the U. S. House of Representatives. Several Democratic Senators and Representatives also have indicated their support.

The first-year cost to the Federal Treasury is estimated at a modest \$13 million. This expenditure, in turn, is calculated to produce more than \$350 million in new housing for needy, deserving American families.

The National Home Ownership plan is a new and exciting approach. It deserves a chance to prove itself.

double the sales tax revenue income for all the municipalities from the 1/2 cent sales tax that they now receive. (continued on page 3)

YESTERDAYS

From The Antioch News 41 Years Ago

There will be a Royal Neighbors card party at the Hall on Thursday evening, May 6.

Mrs. Ralph Kinnrade left last Thursday for Chetek, Wis., where she will visit friends.

Work shoes, \$3.00 to \$4.00 at Chase Webb's.

NOTICE

The plans and specifications for the Antioch Township new High School building will be in the hands of D. B. Sabin, secretary of the board, the latter part of the week. Contractors wishing to enter bids may secure these plans and specifications from the secretary. The time for closing bids will be announced in next week's issue and will probably be May 21.

D. B. Sabin, secretary

TYENTY YEARS AGO

From The Antioch News
Misses Mary and Deedie Tiffany entertained at a family dinner Memorial Day at their home on Tiffany Road, May 15, 1947.

Robert James Lutterman was among the 155 graduates at Kemper Military Institute, Booneville, Mo. He is the son of Dr. and Mrs. E. J. Lutterman, Main St., Antioch.

The Antioch High School track squad won in a triangular meet with Palatine and Bensenville. Results: Antioch 76, Palatine 53 and Bensenville 12. Dan Jones, Kenneth and Leonard Mattson combined with January to take firsts in 8 of the 12 events.

TEN YEARS AGO

May 16, 1957
Henry C. Quendenfeld died suddenly at his home on Naber Ave.

Rep. W. J. Murphy will be the speaker at Antioch's Memorial Day service. Ed Jahneke will be parade marshal and Dan Lightsey program chairman.

A bus service will provide transportation to and from Antioch for shoppers. The service is sponsored by a group of Antioch merchants.

Karen Rentner was chosen Queen at the Antioch High School Prom. Frank Ferdon was King.

Peggy Cardiff was chosen Worthy Advisor of the Antioch Order of Rainbow for Girls.

Teacher Of The Week

Mrs. Elaine Weidner, Dean of Girls at Antioch High

Mrs. Elaine Weidner is

Dean of Girls at Antioch High School and teaches Health. She has been a member of the Antioch High School staff for three years.

Mrs. Weidner was born in Harvard, Ill., and attended school there. She received her B.E. degree at Illinois State and also attended the University of Michigan and

Roosevelt University.

Mrs. Weidner lives in Mundelein and has two children, Curt, 14, and Kathy, 12. Both attend school in Mundelein.

She sponsors the Pep Club at Antioch High. Her hobbies are bowling and golf. She is an officer of the Mundelein Little League Auxiliary.

Mr. and Mrs. Samuel W. Bailey

Honored On 55th Anniv.

Mr. and Mrs. Samuel W. Bailey of Loon Lake Road celebrated their 55th wedding anniversary on May 1. Their children and many of their grandchildren honored them at a family Open House Sunday at the home of Dr. and Mrs. Charles Solar.

The group then attended a family dinner party held for Mr. and Mrs. Bailey at Lorenz's Country House.

Where The Boys Are

Marine Pvt. Joel H. Flaschner.

SAN DIEGO, Calif.—Marine Private Joel H. Flaschner, son of Mr. and Mrs. Charles H. Flaschner of Route 1, Trevor, Wis., was graduated from eight weeks of recruit training at the Marine Corps Recruit Depot here.

He will now undergo about three weeks of individual combat training and then, after leave at home, will report to his first Marine Corps assignment.

SAN DIEGO, Calif.—Marine Private Robert J. Hawks, son of Mr. and Mrs. Vincent C. Hawks of Rte. 3, Antioch, Texas, was graduated from eight weeks of recruit training at the Marine Corps Recruit Depot here.

He will now undergo about three weeks of individual combat training and then, after leave at home, will report to his first Marine Corps assignment.

Airman Robert A. Mozal, son of Mr. and Mrs. Walter A. Mozal, 4700 Thornthorne Lane, Rolling Meadows, has been selected for technical training at Goodfellow AFB, Texas, as an Air Force intelligence specialist.

Mr. and Mrs. Walter Mozal lived in Chain O' Lakes subdivision at Bluff Lake for 14 years before moving to Rolling Meadows.

Airman Mozal is a 1966 graduate of Forest View High School.

Robert Hart, the son of Mr. and Mrs. Robert Hart, Sr., of Antioch, was recently promoted to the rank of A 2C. He is stationed at Luke Air Force Base in Arizona.

A letter from Lt. Col. C. S. Elkin, commander of the base, informed the senior Harts of their son's promotion. In part, the letter said, "This elevation in rank represents the fine quality of work your son has been performing while assigned to duty at Luke Air Force Base. You will be proud to know that Robert was selected from a very competitive group, and his promotion reflects his superior standing among his fellow airmen."

The U. S. dairy industry accounts for 13 to 14 percent of total farm cash receipts.

Antioch High Honor Roll

Mr. and Mrs. John Posson

Given In Marriage By Grandfather

Miss Linda Lee Thommesen became the bride of John Joseph Posson April 15 at Christ Episcopal church in Waukegan.

The bride is the daughter of Mrs. Betty Thommesen of 3876 Drexel Ave., Gurnee. The groom is the son of Mr. and Mrs. Lefroy C. Posson of 412 S. Thornwood Drive, Lindenhurst.

The bride was given in marriage by her grandfather, Harvey E. Smith. The nuptial mass was performed by the Rev. Father Michael C. Coburn.

The bride's gown was designed and made by her

mother, Mrs. Betty Thommesen. It was of French imported lace over silk crepe with a hand embroidered train and seed pearl trim. A handmade rose cluster tiara held the bouffant illusion veil. She carried a cascade of Jack Frost roses with seed pearl leaves.

Miss Bonnie L. Pebbles of Gurnee was maid of honor. Bridesmaids were Mrs. John Sherin, cousin of the bride and Mrs. Russell Eisenhart. Julie Ann Sherin was flower girl.

The bride's attendants wore sheath gowns of pink organza over taffeta, with

The Bernard Stadick family of Antioch entertained their parents, Mrs. Samuel Ries, Antioch, Mr. and Mrs. Ben Stadick of Chenoa, Ill., and Mr. and Mrs. George Reyermond and daughter, of O'Dell, Ill. (Mr. Stadick's aunt and uncle) on Sunday, May 14th, at their home.

Deep sympathy is extended to Mr. and Mrs. Alex Hoffman of Grass Lake, for the sudden death of their son-in-law, Bernardt Zimmer of Rolling Meadows, on Saturday, May 13. Mr. Zimmer was killed in a head-on collision, occurring in his traffic lane, near Vernon Township. He leaves his wife and two sons, one a sophomore at the University of Wisconsin, and the other son to be graduated from high school in two weeks' time. Mr. Zimmer was buried in a veteran's cemetery near Springfield, on Tuesday, May 16.

CHRISTIAN SCIENCE CHURCHES

"Soul and Body" is the subject of this week's Lesson-Sermon to be read in all Christian Science churches on Sunday.

The Golden Text is from Lamentations: "The Lord is good unto them that wait for him, to the soul that seeketh him. It is good that a man should both hope and quietly wait for the salvation of the Lord."

It's easy to find an excuse for delaying hard work.

American Legion Auxiliary News

By Del Jahneke

At the May 12th Gold Star Party meeting of the Antioch American Legion Auxiliary, four Gold Star members were present to be the Unit's honored guests. Mrs. Earl Horton, Gold Star chairman, introduced Mrs. Myra Randall, Gold Star Mother, and Mrs. George Swenson, Mrs. Ralph Fields, and Mrs. Ollie Tweed, Gold Star Sisters, and presented them with a white carnation corsage. They also received an attractive gift from the Antioch Unit.

Mrs. Ray Rathmann, President, appointed Mrs. Walter Hills as the Nominating Committee Chairman; with Mrs. John L. Moran, Sr., Mrs. Alex Hoffman, Mrs. Frank Kennedy, Sr., and Mrs. Joseph Horton, elected as the other four members of the committee.

Miss Diana Stag of Ecuador, American Foreign Exchange Student, accompanied by Mrs. Robert Jensen, AFS representative, gave a most dynamic, enthusiastic, and informative talk, followed by a "question and answer" session. Miss Stag then sang several Spanish songs, while strumming her guitar.

Mrs. Rathmann, Poppy chairman, asked for both Legion and Auxiliary volunteers to sell poppies from 6

p.m. May 26, to 6 p.m. May 27. Every year, the American Legion and the Auxiliary supplies materials to hospitalized veterans (at no cost to the veteran) and compensates them for their efforts in making the red poppies. Medical authorities agree that the activity provides important therapy for the hospitalized veterans, as well as helping him to earn badly needed money.

On May 28th, the 10th District American Legion and the Auxiliary will hold their annual Child Welfare Picnic for some 150 children from the Lake Bluff Children's Home, the Lake Villa Central Baptist's Children's Home, the Arden Shore Home, and the Allendale School for Boys. This picnic will be held at the Lake Region's Legion Home at Fox Lake, at 12 noon. There will be boat rides, races, contests, prizes, picnic lunch, etc., for the children. All Post and Unit Child Welfare Chairmen, All Post Commanders, Unit Presidents, are requested to attend this picnic.

There will be a 10th District American Legion Auxiliary Board meeting on May 31, at the Gurnee Legion Home, at 6:30 p.m. This is the closing board meeting for this Auxiliary year, and a potluck supper always precedes this meeting.

Celebrate 44th Anniv.

Mr. and Mrs. Emil E. Guntz of 11 Pinewood Lane, Antioch, will celebrate their 44th wedding anniversary on May 22.

The Guntzs have three married sons—Lee, Harold and Walter—and three daughters-in-law. They have another son, Father Lou M. Guntz, who is Pastor of Precious Blood Church in Banning, Calif. They also have 20 grandchildren.

Their nephew, Bernard Guntz, and his wife, of Lake Shangri-La, will also celebrate their 21st anniversary on May 22. They have two sons, Bernie and Dale, and one daughter, Dolores.

Tea For Tots And Parents At Grass Lake School

On May 19, at 10:30 a.m. a kindergarten tea will be held in the Grass Lake School gymnasium. Parents and their future kindergarten students for the 1967-68 school year, are invited to come for an hour program consisting of an informal discussion by the kindergarten teacher, the superintendent, and the school nurse. The P.T.A. will serve refreshments after the program.

Parents are asked to bring proof of birth in order that their child can be registered. Students must be five years of age on or before December 1, 1967, in order to enter kindergarten.

ST. PETER'S ALTAR AND ROSARY SOCIETY

The May meeting of St. Peter's Altar & Rosary Society was held last Monday evening.

The elective slate was presented by Mrs. Irene Gross. An open discussion followed. A June Installation Dinner is planned for June 19th at Lorenz's following 6:00 p.m. Mass.

Refreshments were served by Mrs. Jeanette Pachey, Florence Eckert, Evelyn Freund, Elizabeth Wolters, Diane Starkey and Marge Solar. Chairman for the committee, Mrs. Shirley Gutowski.

Rainbow Tea Held For Mother's Day

The Antioch Assembly, Order of the Rainbow for Girls, honored their mothers at a Rainbow Tea Sunday, May 7. Pledge Girls also signed their petitions. The Pledge Service will be held June 26 at the close of the regular meeting.

The last meeting of this term was held Monday, May 8. Edith Brusk will be installed as Worthy Advisor on Saturday, May 20th, at the Methodist Church. Other new officers will be installed at the same meeting.

The first meeting of the next term will be Monday, May 22. The girls are asked to bring their money for Grand Assembly and rummage sale on June 9, to be held at the old Lyons-Ryan garage building.

RETURN FROM TRIP THROUGH SOUTH

Mr. and Mrs. Myrus Nelson recently returned from a trip through the mountains of North and South Carolina and Florida.

One week was spent with their daughter Le and her husband, Mr. and Mrs. Robert Milnichuk, at Beaufort, South Carolina. Bob is with the Marines at the station there. Le works in the Credit Union on the base at Parris Island.

The Nelsons also spent a week with Mr. and Mrs. Russell Brunefield at Deland, Fla., and saw the new granddaughter of Mr. and Mrs. T. R. Birkhead. Mr. and Mrs. Vin Monroe (Mrs. Monroe is the former Sue Birkhead) have two other children and live at Sanford, Fla.

NELSONS HOME FROM VACATION

Mr. and Mrs. Lester Nelson returned home Friday after a six day Show Plane Tour vacation in New York City. While there they saw several Broadway shows, one of which was "Mane."

WINS CLASS HONORS

Class honors for top scholarship were conferred on Miss Marilyn Gras, Rt. 4, Antioch, at the annual Honors Day Convocation at Carroll College May 10.

Sibelius Chorus To Sing For Church Group

The St. Stephen Church Fellowship Club will have the pleasure of hearing the Sibelius Male Chorus of Chicago sing for them at their meeting Saturday evening, May 20.

Arrangements to have the chorus come to Antioch were made by Harold and Stella Lindberg.

The Fellowship Club has made arrangements for a dinner to be served at 7 p.m. with an invitation to the Senior citizens group (AARP) to participate.

This will be the last regular meeting of the St. Stephen Fellowship Club until September.

The Sibelius Chorus has

been continuously active for 34 years and is said to be the oldest chorus of the Finnish groups in America. They sang at the World's Fair in Chicago in 1933 and have made concert appearances in Finland, Canada and many places in the United States. The Chorus director, Warren Polston, has been conducting the singers for many years and is also an accomplished pianist and drummer.

The Chorus has the personal permission of the late composer, Jan Sibelius, to use his name for the Chorus, and his famous "Finlandia" is the theme song of the Chorus.

The St. Stephen Fellowship Club has presented many interesting programs during the past year.

Officers of the club are Mr. and Mrs. Harold Lindberg, president; Mr. and Mrs. Leonard Peters, vice presidents; Mr. and Mrs. Robert Brock, secretaries; and Mr. and Mrs. Phillip Haass, treasurers.

Newly elected officers are Mr. and Mrs. James Ammentorp, president; Mr. and Mrs. Al Reckers, vice presidents; Mr. and Mrs. Phillip Haass, secretaries; and Wanda Skurdanis, treasurer. The new officers will be installed soon by Pastor Wilton Anderson.

Postmaster Warns Of Air Line Ticket Frauds

Postmaster General Lawrence F. O'Brien warned the public today to be alert for air line ticket frauds.

"Fraudulent purchase and use of air line tickets have become major criminal activities," Mr. O'Brien said. "Organized criminal elements are using the mails to purchase these tickets and then selling them at discount. As a result, the Postal Inspection Service has intensified its investigations of these frauds."

The Postmaster General offered these tips for combating the fraud:

1. Report all offers to sell tickets at discount—air line tickets just aren't sold at discount, except to special groups by authorized agents.
 2. Immediately report the loss or theft of a credit card—these cards are a major source of the fraudulent purchase of tickets.
 3. Notify authorities if you receive a billing for a flight you didn't take—the criminals may be using your name to obtain tickets.
- Mr. O'Brien said the Department's computers are being used to aid in detection of the scheme's promoters.
- He also noted that the Inspection Service has been co-operating with the air line industry, which has alerted ticket handlers right down to the counter level.
- The Inspection Service now has 52 air line ticket cases under investigation, nearly

doubled the total at the first of the year. In September 1966, 20 cases were being probed. A total of 41 persons are now under indictment in these cases.

In addition, the air line ticket investigations are developing evidence of other criminal acts. A recent series of investigations in cooperation with other law enforcement agencies and air line representatives led to a total of 57 arrests on such charges as counterfeiting, transportation of forged and stolen securities, armed robbery and burglary. Of the 57 arrests, 13 were on charges of mail fraud.

The fly - now - pay - never crowd takes advantage of the airlines' fast response to a customer's request for ticketing. The fraud promoters may use the telephone to order their tickets and have them mailed to a fictitious name.

Another method victimizes a legitimate ticket agency. The promoter may place a \$50,000 order for tickets and pay for them with a certified check. Having built up confidence, the next time he comes around with a \$75,000 order and a check that bounces.

The tickets purchased are often with open reservations, making it possible for them to be used on any number of flights. The fraudulently obtained tickets, when resold, may bring 40 to 60 percent of their value.

Six persons were sentenced at New York City in an airline ticket fraud case. Five of them went to prison. Seven persons remain to be sentenced in the case.

The final chapter was to be written May 9 in an air line case that evolved into transporting counterfeit bonds to Europe. Edward Friedland, disbarred New York City criminal attorney, is to be sentenced on that date. Four others previously pleaded guilty in the case.

Increase In Public Aid Slows

The number of persons receiving public aid in Illinois increased during February, but at a slowing trend compared to the January increase, public aid director Harold O. Swank said today.

February's increase of 4,607 persons brought the total caseload up to 424,665, compared to January, when an increase of 4,876 brought that month's caseload to 420,058. The February caseload is 18,101 above the February 1966 total of 406,564.

Public aid expenditures during February amounted to \$26,421,946, compared to \$26,254,561 in January. Total expenditures in February 1966 were \$24,888,342. The February 1967 total includes \$255,844 in payments for ADC-foster care, Assistance to the Medically Indigent in Chicago and Cicero, and burial.

Total public assistance in all programs in Lake County for this period amounted to \$168,053. This amount was paid out to 2,947 persons.

Having a party, a special dinner party? Planning on using your favorite china bread 'n' butter plates? Decorate your butter pats by dipping a fork into hot water and running the tines across each pat of butter. Garnish each with a tiny sprig of parsley. Chill before serving.

Freshman Mothers Guests At Tea

Honored guests at the annual get-acquainted Tea given by Carmel Mothers' Club will be the mothers of incoming freshmen boys and girls. Chairman of the event is Mrs. Adolph Vole of Highland Park. The time is 2:00 p.m., Sunday, May 21, at Carmel High School lounge in Mundelein.

The guests will be greeted by the president, Mrs. Ernest Washburn, and other officers of the Mothers' Club, and the religious and lay faculties of both Carmel Boys and Girls High Schools.

Assisting Mrs. Vole are Mrs. Joseph Cortesi, Mrs. Charles Kane, Mrs. Robert Ferrel, Mrs. Otto Cortesi, Mrs. G. L. Fowler and Mrs. Peter Placenza.

Genealogy is the study of family history.

The Upper Room

Quench not the Spirit. (I Thessalonians 5:19)

A lad found it difficult to waken in the morning. His mother gave him an alarm clock. This seemed to work well for a few days, but once more, he began to oversleep. "Johnny," his mother asked, "why don't you use the alarm?"

"Oh, I do," he replied, "but when it rings, I shut it off and go to sleep again. Sometimes I hardly hear it." The ear and mind can become so accustomed to sounds that they make no impact, and the mind is not really aware of them.

If we disregard the call of the Holy Spirit, the "ears" of the soul become dull, and in time quite deaf. It is to our hurt if we quench the Holy Spirit in our lives. If we listen and obey, we become more and more receptive to His voice and direction. He will never force Himself upon anyone, but the person whose mind and heart are open to His call will receive His blessing.

PRAYER: Dear Father we thank Thee for the gift of the Holy Spirit. We pray that we may have always an open mind and heart to receive His word and wisdom, grace and blessing in all phases of our lives. Help us to manifest the fruits of the Spirit. For Jesus' sake. Amen.

Thought for the Day: The refining fire of the Holy Spirit consumes the dross in our lives. —Mary M. Forman, (Ontario).

Copyright—The Upper Room

Read Luke 24:52: Jesus increased in wisdom and stature, and in favor with God and man. (Luke 2:52).

It was a warm afternoon. As I ironed in the kitchen, my four lively sons' peaceful playing soon erupted into violent quarreling. The oldest boy raced into the hot kitchen, crying, "The twins hit me!"

"But Jeffrey," I comforted him, "the Bible tells us to 'turn the other cheek.' They didn't hit me on the cheek," he protested. I had to laugh, as I recalled childhood memories of the battles I used to have with my own twin brother John. I remembered how my mother used to tell us, when we quarreled, that we should try to grow like the youthful Jesus.

Laying the iron aside, I called in my other boys, Bruce, Bradley and Jonathan. I said to them, "You may not

The 15th Anniversary Dinner of Waukegan Area Council of Churches will be served at the West Campus Cafeteria in Waukegan Monday evening, May 22, at 6:30 p.m.

Thousands Respond To McClory's Questionnaire

Congressman Robert McClory reports that more than 15,000 questionnaires have been answered and returned to his Washington office in response to his biennial poll of 12th District Voters.

The problem of opening and counting the 12th District citizens' reactions on issues pending before the Congress is taxing the Congressman's staff. The answered questionnaires themselves will be tabulated quickly on computers. The Congressman estimates that this information will be accurately determined within the next two or three weeks.

However, there is the additional problem of responding to individual inquiries and suggestions which accompanied many of the answered questionnaires.

Faced with a daily stack of fresh mail generated by the poll of approximately 140,000 12th District homes, Congressman McClory de-

clared: "I am grateful for the interest and intelligent views expressed by many 12th District citizens in response to the questionnaire poll. These citizen expressions are of great value in the formulation of my position on critical national issues. I am particularly impressed by the many sincere and individual composed letters which I have received during these last weeks."

Congressman McClory expects to make an early report to the 21st District citizens on the questionnaire poll results. The Congressman will also report the results to his colleagues in the 90th Congress.

Any 12th District voter who failed to receive a questionnaire may procure one by contacting the Congressman's District office, 328 North Genesee Street, Waukegan, or by writing to Congressman Robert McClory, House Office Building, Washington, D.C. 20515.

Donna Shewan, 1816 Hazelwood, and Richard Erber, 1715 E. Grand Avenue, Lake Villa, will be married in St. Mark Lutheran Church, Lindenhurst, Saturday, May 20, at 4 p.m.

The Couples Club of St. Mark Lutheran Church will attend the Vesper service at St. Benedict Abbey at 3:00 p.m. Sunday, May 21. At 4:00 o'clock they will take a tour of the Abbey, and at 5:00 have supper at the Abbey. The Vespers and tour are optional, for those who come in time for them.

Vacation Bible School Vacation Bible School will be held June 12-23 at St. Mark's Church. More helpers are needed, especially to aid in serving the juice and cookies mid-morning. If you can help, call Mrs. Ray Rathmann, 395-3333.

Anniversary Congratulations to Axel and Arlene Swanson on their 17th wedding anniversary. And to Mr. and Mrs. Joseph Guido on their 20th wedding anniversary May 17.

Women's Club News Two members of the Lake Villa Rescue Squad, Fred Popp, Jr., and Don Collins, gave the program for the Lindenhurst Women's Club last Thursday evening. They gave valuable information regarding life saving. They announced that a First Aid Class would start in September.

Mrs. Zenia Neumann, chairman of the annual rummage sale, asked the members to save their rummage for the sale that would be held Sept. 23 at the Civic Center.

A re-sale will be part of the Mother and Daughter night, June 22. Mrs. McMillen will bring her dolls and give the program. A clown will also be on the scene.

A check for \$10 was given to Mrs. Roberta Hazel, leader of Brownie Troop 161, to purchase a staff for their flag. The Women's Club sponsors all the Girl Scout troops in

Lindenhurst.

Jeanette Marigliano was the birthday girl. A joint meeting was held with the Men's Club, Women's Club and the Building Committee. They discussed enclosing the stairs outside, leading to the basement. Funds raised at the recent card party, are to be used for that purpose. More money will be needed, though, and a project is being worked on.

The Club is looking for a convertible to use in the Lake Villa Memorial Day Parade. Rae Gibbons reported that a few more reservations will be accepted for the annual dinner dance to be held May 27. The theme this year is "Voyage to the Bottom of the Sea." All the money made on this affair benefits the Civic Center.

Pat Parpan announced that the Young Girls Volley Ball team will hold their last night at the Hooper School on June 5. The last night for the Women's Volley Ball team will be on May 31. They will resume in the fall.

New Baby Mr. and Mrs. B. J. (Patricia) Bonfoey, 2313 E. Deerpath Dr., welcomed their fourth daughter and fifth child May 7 at St. Therese Hospital. The little lady, Constance Juanita, tipped the scales to 10 pounds, 11 ounces. Her sisters and brother are Kathryn, Biff and twin sisters Michelle and Renee. Mrs. Bonfoey's parents, Mr. and Mrs. L. M. Leppert, are visiting here from St. Louis County. The paternal grandmother is Mrs. B. W. Bonfoey, Sr., of Kirksville, Mo.

Bowling is the most popular sport in the U. S., as far as the number of participants is concerned.

Lutheran Pioneers Hold Kite Derby

Burlington, Wisconsin, was the city on which Lutheran Pioneer trains from Burlington, Lake Geneva, Mukwonago, and Antioch converged for the annual Southern Lakes District Lutheran Pioneer Kite Derby.

The schoolgrounds of St. John's Lutheran School April 30 were filled with boys ages 9-15, and their parents, and the kites which these boys constructed from materials which they cut, assembled, and decorated. The wind was blowing briskly as the judges scored each boy in his age group according to kite construction, decoration, takeoff, and flight.

Robert Vols of Burlington, the District Commander, announced that Faith Lutheran Church of Antioch took first place in the team scoring. In the age group 8-10 Albert Frank of Faith placed second; in the group 11-12 Dave Lemke of Faith placed first, and in the age group 1-14 Jim Crichton won the first place trophy and Don McBain the second place trophy. Jim and Don are also members of Train 139 of Faith Lutheran Church.

The Lutheran Pioneers is a national organization for boys ages 9 and older, within the churches of the Wisconsin Ev. Lutheran Synod.

Pastor Ponath of Faith Lutheran Church in Antioch has been appointed National Chaplain for the Lutheran Pioneers.

Farmers Get Emergency Help For Tornado Damage

Congressman Robert McClory (R. Lake Bluff) reported today that the Department of Agriculture has authorized emergency loans for eligible farmers who suffered damage to buildings, farmland, machinery, equipment, fences, and livestock as a result of the April 21 tornado.

Any farmer in McHenry County desiring information about the Emergency loans or other type of assistance available through the Farmers Home Administration should contact Mr. Robert C. Becker, County Supervisor, U. S. Department of Agriculture Building, Appleton Road, Belvidere. The telephone number is Area Code 815, 544-3507.

Farmers in any adjacent counties who have suffered tornado damage may contact the appropriate office of the Farmers Home Administration for such information.

Firemen Mourn A Comrade's Passing

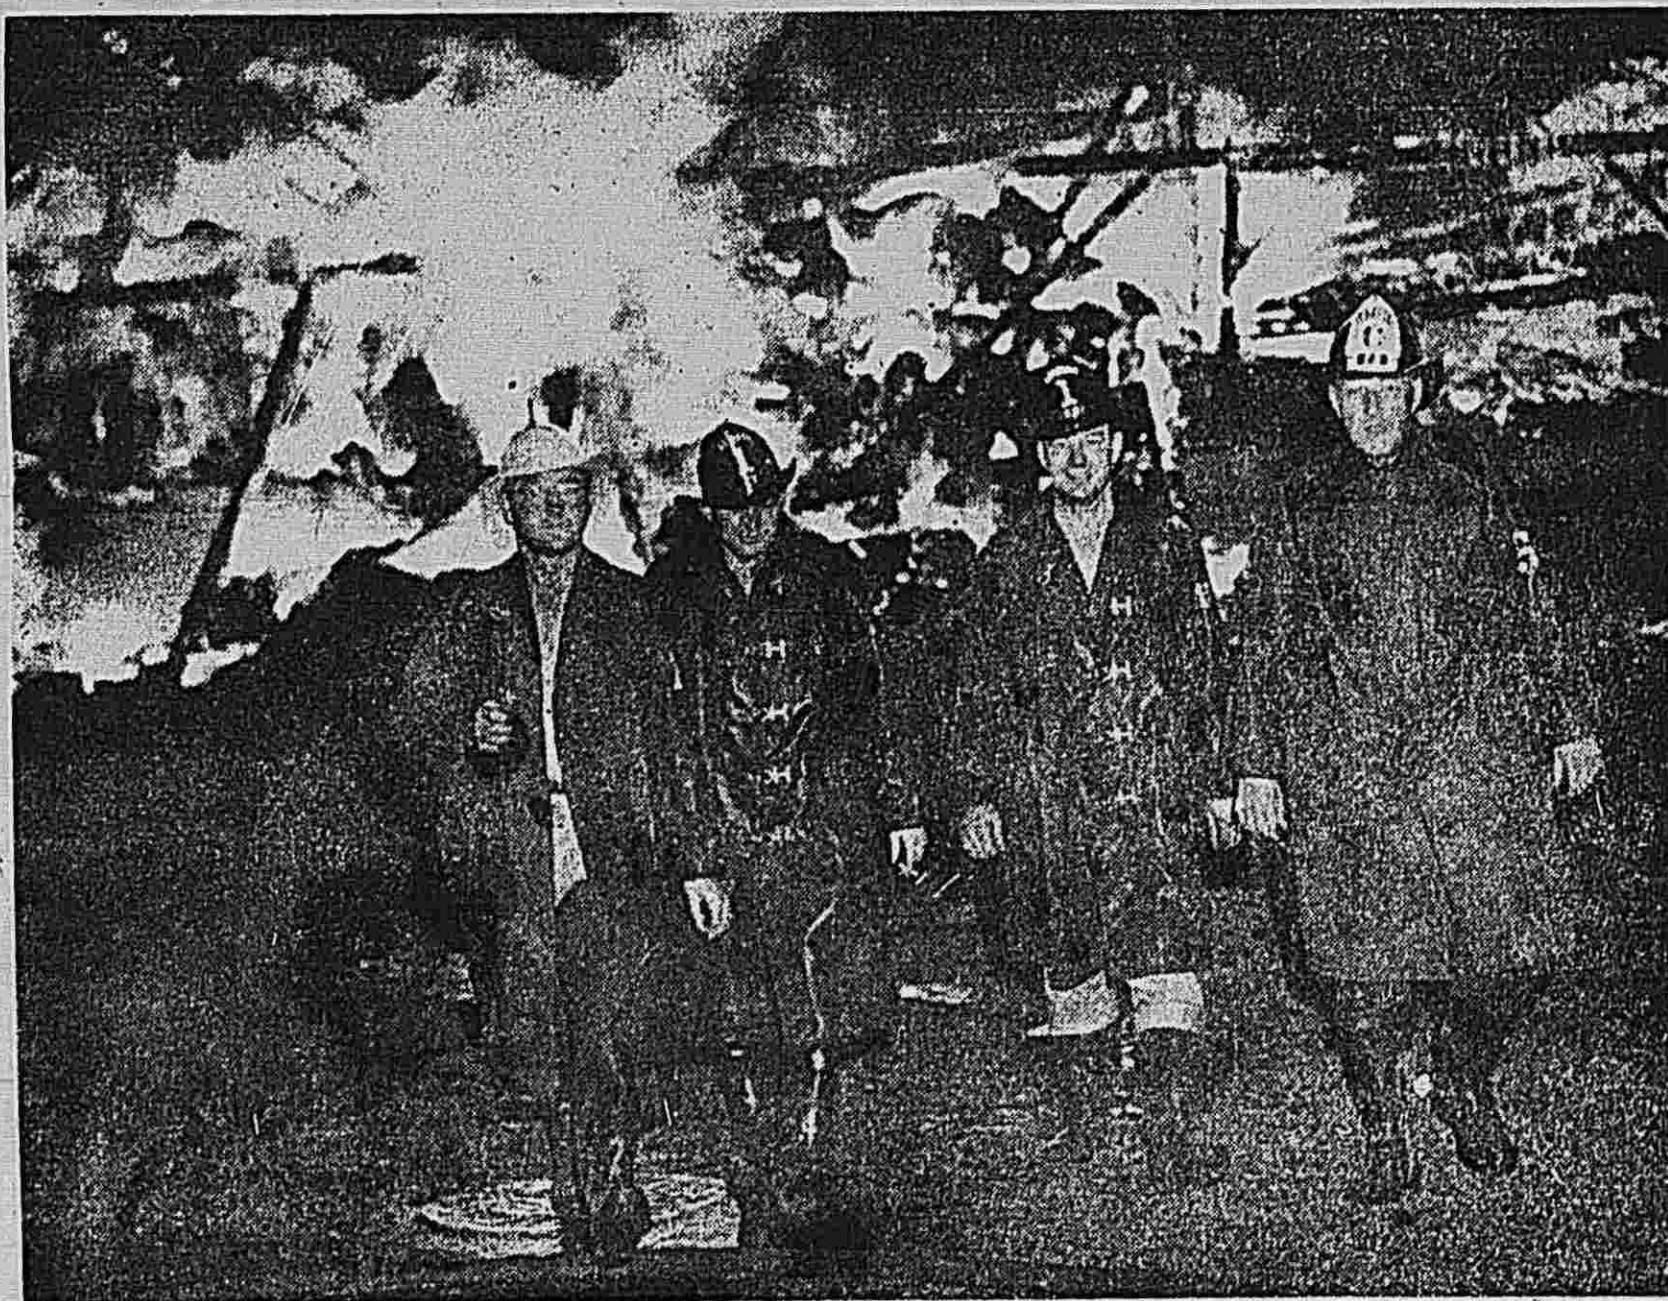

The Antioch Fire Department has draped their charter in black for a thirty-day period in mourning for Cletus Vos, a member of the Antioch Fire Department for twenty-two years and Fire Chief for two years.

Clete Vos died last Tuesday. He joined the Antioch Fire Department September 13, 1927. In his 22 years with the department, he held the office of president from October, 1940, through October, 1942. In May, 1946, he was elected Chief and held that position until May, 1948. Two of Clete's nephews keep the Vos name active in the Fire department — they are Bill Vos and Ronald Vos. Clete's son-in-law, Jim Krieger, is also a member of the department.

Clete resigned from the Fire Department when he moved out of the village.

Cletus Vos is presented with the Fire Chief's helmet. Left to right, Clarence Shultis, L. R. Van Patten, G. F. Garland, Clete Vos and Irving Elms.

Fire Chief Clete Vos helped to fight this fire on September 4, 1947, at the Claywood Farm on Huntley Road. Left to right, Chief Clete Vos, Lieut. M. Cunningham, Eng. Edgar Simonsen and Capt. Clarence B. Shultis.

Home Economics Instructors Meet

Mrs. Mary Polley, home making instructor at Central High School, was recently an official delegate representing rural Home Economics instructors at the convention of the Wisconsin Association of Vocational and Adult Education at the Hotel Schroeder in Milwaukee.

Rural Home Economics Instructors who teach under the supervision of the State Board of Vocational and Adult Education all instruct in a varied program pertaining to all phases of home living.

Delegates elected Jack Banerdt of Kenosha Technical Institute and Robert Borchardt of Manitowoc Technical School to the state association board. The same delegates voted to amend the constitution of the state association to permit the formation of local chapters with a membership of five or more persons teaching under the supervision of the Wisconsin State Board of Vocational and Adult Education.

Scavenger Hunt To Support Drama Club

Beginning Sunday, May 21 from noon until 6 p.m. the Central High School Drama Club will be out on a "Scavenger Hunt" collecting furniture, clothes, lamps, and "odds and ends" for use in drama and musical productions at the school.

This is an especially good time to clean your attic or garage. If you have items that you want picked up call Central High School between 8 and 4 Monday through Friday or from noon to 6 on Sunday. Phone number is 843-2321—and items will be picked up.

DEATH NOTICES

ARTHUR H. HUMBEUTEL
Arthur H. Humbeutel, 69 years old of 9818 North 2nd Way, Phoenix, Arizona, passed away on Tuesday, May 16, at 9:00 a.m. in John Lincoln Hospital at Phoenix from a heart attack. He was born

Feb. 10, 1888 in Chicago and resided there until moving to Bluff Lake in 1948, then moved to Phoenix in 1963.

He was a retired carpenter by occupation. He was preceded in death by his wife, Viola Norwick Humbeutel on October 18, 1963 and his parents Rudolph and Emma Humbeutel.

Survivors are three daughters, Mrs. Elaine (Mike) Wojnowiak, Antioch; Mrs. Marilyn (William) Layton, Antioch, and Mrs. Lois (Nick) Preissler, Phoenix, Ariz.; one brother Carl Humbeutel, Norridge, Ill.; one sister, Mrs. Iona (Jack) Zechlin, Chicago, and six grandchildren.

Funeral services will be held at 1:30 p.m. on Friday, May 19th, at the Strang Funeral Home in Antioch. Rev. Donald Cobb of the Antioch Methodist Church will officiate at the service. Interment will be in Grass Lake Cemetery. Friends may call at the funeral home after 7:00 p.m. Thursday.

WILLIAM A. KUMST

William A. Kumst, 73 years old of Loon Lake near Antioch passed away Thursday, May 11, at 11 a.m. at his home after a brief illness. He was born June 22, 1893 in Arnstadt, Germany, and came to America in 1927 to reside in Chicago until moving to Loon Lake in 1930. He and his wife owned and operated Kumst Centrella Foods at Loon Lake. He married Antonia Knobloch on Nov. 1, 1921 in Gorlitz, Germany.

He is survived by his wife Antonia, two brothers and two sisters in Germany.

Funeral services were held at 2:30 p.m. Saturday at the Strang Funeral Home in Antioch. Pastor Wilton Anderson of St. Stephen Lutheran Church officiated at the services. Interment was in Home Oak Cemetery near Antioch. Memorials may be given to the Antioch Rescue Squad.

HERMINE B. KNUTSEN

Hermine B. Knutsen, 75 years old of Timber Lane Subdivision near Salem, Wis., passed away at 11:30 a.m. on Thursday at the Kenosha Memorial Hospital after a two week illness. She was born August 21, 1891 in Chicago and resided there until mov-

THE ANTIOCH NEWS

THURSDAY, MAY 18, 1967

ing to Salem 7 years ago. She was a member of the Antioch Evangelical Free Church.

Mrs. Knutsen was preceded in death by her husband, Henry C. Knutsen in 1943 and one son, Conrad E. Knutsen in 1955.

Survivors are a daughter, Mrs. Mae (Fred) Rau, Salem, Wis., with whom she lived; two sons, Harold H. and Alan R., of Antioch; 10 grandchildren and 7 great-grandchildren.

Funeral services were held at 10:30 a.m. Monday at the Strang Funeral Home in Antioch. The Rev. Bernard Fosmark of the Antioch Evangelical Free Church officiated at the services. Interment was in Montrose Cemetery in Chicago.

HARRY W. KRAHN

Harry W. Krahn, 69 years old of Salem, Wis., passed away at 11:50 P.M. Thursday, May 11, in Kenosha Memorial Hospital after a 2 week illness. He was born March 29, 1898 in Bristol, Wis., then moved to Salem and later to Kenosha before moving back to Salem 32 years ago. He and his brother Julius Krahn had operated Krahn Brothers Garage in Salem from 1932 until 1952. He then became a set-up man for Quaker Industries until his retirement five years ago.

He married Leah Karnes August 12, 1932 at the First Methodist Church in Kenosha.

Survivors are his wife, Leah, two sons, Phillip L. of Milwaukee and Mark of Bloomington, Ill.; 7 brothers, Julius and August of Salem, William of Burlington, Arthur of Kenosha, Edwin of Bristol, Charles and Louis of Kenosha; six sisters, Mrs. Hazel Yaner, Kenosha, Mrs. Martha Romie of Salem, Mrs. Anna Badtke of Kenosha, Mrs. Florence Hackbarth, of Kenosha, Mrs. Rose Mesmer, Salem, and Mrs. Alma Mohr, Waukegan.

Funeral services were held at 2 p.m. Monday at the Strang Funeral Home in Antioch. The Rev. Chase Page of the Salem Methodist Church officiated at the services. Interment was in Liberty Cemetery.

NOTICE FOR BIDS

Notice is hereby given that sealed bids will be received by the Board of Trustees of the Village of Antioch, Illinois, at a meeting Tuesday, June 7th, 1967, until eight o'clock P.M. at the Village Municipal Building, 874 Main St., Antioch, Illinois, for the purchase, or in the alternative, for the rental of a 1967 model four door sedan, to be used as a police squad car, in accordance with specifications on file with the Village Clerk, which specifications will be made available to all parties desiring to bid.

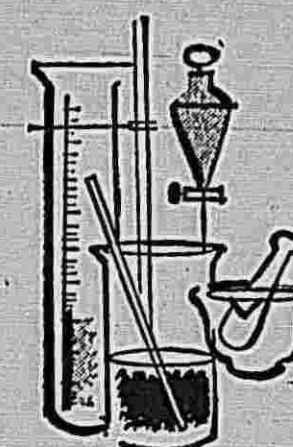

Bids shall be addressed to C. B. Shultis, Village Clerk, of the Village of Antioch, and shall be in his hands on or before 8:00 P.M. June 7th, 1967.

The Board of Trustees reserves the right to reject any and all bids, to waive any informalities in any bid, and to accept any considered advantageous to the Village.

This advertisement is made pursuant to the direction of the Village Board of Trustees on May 16th, 1967.

C. B. Shultis,
Village Clerk

Symbol of Better Health

Rx Stands For Prescriptions

There are many theories regarding the origin of the symbol, "Rx". One claims that it is an abbreviation of the Latin word "recipe." Whatever its origin, the "Rx" today symbolizes the prescriptions that help us attain better health, longer life.

Students Urged To Apply Early For College Entrance

All Illinois high school students wishing to enter the University of Illinois as freshmen in September, 1968 were encouraged today to apply for admission as soon as possible after September 25, 1967, on the basis of six or more semesters of high school work.

C. W. Sanford, University Dean of Admissions and Records, said, in a letter to all educational administrators in the state that three admission processing periods have been established for the Urbana campus and two for the Chicago Circle campus.

A student may apply for admission after beginning his seventh semester of high school work. After answering each question on the application form, the student should submit the application to his high school principal or counselor.

The administrator will attach a transcript of the high school record including high school class rank and a list of courses planned or in progress during his senior year and will forward the material to the University admissions office.

Deadline for admission processing periods announced for Urbana are Nov. 3, 1967, December 15, 1967, and

February 2, 1968. For Chicago Circle they are December 15, 1967 and March 15, 1968.

Before admission action can be taken on an application, the U. of I. Admissions office must have on file: a completed application form, high school transcript, including information about the senior year of high school and record of performance on either the American College Test or the Scholastic Aptitude Test of the College Entrance Examination Board. The test must be received directly from the testing company.

Dean Sanford said the admission of all beginning freshmen at Urbana and Chicago Circle is determined on the basis of a combination of high school percentile rank, admission test score and academic subjects prescribed for the curriculum the student wishes to enter.

An early application is essential if a qualified student wishes to be certain of being admitted for the next fall class of beginning freshmen.

A student who applies for admission at Urbana between Sept. 25 and November 3 will be notified of his status by Dec. 6, 1967, and be asked to make his advance deposit

by Jan. 12, 1968. Those applying between Nov. 4 and Dec. 15, 1967, will be notified by Jan. 17, 1968, and asked for an advance deposit by Feb. 23, 1968. Those applying by Feb. 2, 1968, receive notification by March 6, 1968, and make advance deposits by April 19, 1968.

At the Chicago Circle campus, students applying by Dec. 15, 1967, are notified of their status by Jan. 17, 1968, and pay the advance deposit by Feb. 23, 1968. Those applying by March 15, 1968 receive notification by April 17, 1968, and pay the deposit by May 22, 1968. Applications received after March 15, 1968, will be acted upon after April 17, 1968.

Dean Sanford advised, however, that in the past few years, students applying in the third processing period have had very few spaces available to them and many of those applying in the second period had to be placed on waiting lists for any cancellations from the first period.

"The best advice for students wishing to be admitted in September, 1968, is to apply as indicated in September of 1967," he said.

Disease affecting or transmitted through the respiratory system is responsible for about one out of every ten deaths, according to statistics from the National Health Survey.

Win "A" Ratings In Forensics

Four students of Salem Central High School received "A" ratings in the state contest in Forensics, held recently in Madison. Seven representatives of Salem Central competed.

The four who captured "A" ratings are Mary Wagner, Significant Speech; George Langguth, Public Address; Ken Davis, Declaration and Liane Klemko, original oration.

John Kleist and Wayne Stockwell received "B" ratings.

In order to compete at Madison each contestant had to receive an "A" at three levels. It was the first attempt at forensics for George Langguth and Ken Davis. Liane Klemko has won an "A" the second consecutive year.

PAY AND/OR SERVE

SPRINGFIELD, Ill. — A person adjudged to pay a fine or to remain in jail until the fine is satisfied at the rate of \$5 per day may pay part of the fine in cash and serve the remainder of his sentence in jail, Attorney General William G. Clark has advised State's Attorney Warren Peters of Logan County.

The pelican is the largest of the web-footed birds.

Tracksters Falter, Lake Forest Win

Antioch's tracksters bowed to Lake Forest Monday at the Antioch field, 50-77.

Antioch Tom Doolittle took first place in the 2-mile event with a time of 10:47.9. Jim Litchfield came in first in the 880, time 2:05.5. The Antioch team took the 880 relay, time 1:37.3. Bill Sheldon was first in the long jump with 19'9 1/2", and Don Zeman lead the pole vault with 10'6".

Second places were earned by Bill Sheldon in the 100 yard dash, and in the 220. Wayne Hanson in the shot put and Bill Nader in the discus throw.

Third places went to Mike Polley in the 2 mile run; Bob Murphy in the high hurdles; Chuck Bista in the 100 yard dash; Blaine Backman in the 440; John Mikosh in the mile; Chuck Bista in the 220; Hansen in the discus throw and Mike Mazer in the long jump.

The Antioch team will be competing against Grant at Grant Thursday (today). Friday and Saturday is the State Track meet at the University of Illinois. Monday, May 22, Lake Zurich will be at Antioch and Wednesday, May 24, Antioch will go to Zion-Benton.

ANTIOCH JUNIORS WIN, 102-24

The Frosh-Soph track team turned the tables on Lake Forest, beating them 102 to 24. The Antioch Juniors took first place in all events except the long jump and the pole vault.

First places were scored by Chuck Denman in the 2 mile event; Paul Yuska in the 100 yard dash; Bob Biaggi in the 880. Yuska in the 440; Don Dill in the 180 yard low hurdles; Biaggi in the mile; Yuska in the 220; Fred Koch in the shot put; Koch in the discus throw; Rick Nelson in the high jump and Koch in the 120 yard high hurdles. The Antioch junior team took the 880 relay and the mile relay.

Second places were earned by Antioch's Barthel, Triplett, Koenig, Jackson, Dill, Truelsen and Nelson.

Thirds on the Antioch team were won by Doolittle, Koenig, Griffin, Archer, Olsen, Truelsen, Koenig, Polley, Geiger and LaChance.

Final Lecture Of Montessori Series

The eighth and final lecture in the Montessori series will be an opportunity for the parents of the children in the school and others who are interested to see their children at work in the classroom. Miss Doris Stevens, the director, will show the slides with commentary on the particular activity.

The lecture will be held on Sunday, May 21, at 8 p.m., Carmel High School. Tickets may be purchased at the door.

"Sitting on top of the world". Don Zeman worms up with a practice jump before taking first place in the pole vault in the Monday night meet with Lake Forest. Don cleared the bar at 10' 6", far short of his best jump, 12'.

Jim Litchfield leads the field to the tape in the 880.

Modifieds Race Fri. At Wilmot Track

In order to continually present the most exciting modified stock car racing in the area, to an ever increasing number of racing fans, the Executive Board of the Kenosha County Fair Association Co-op and the management of Patenjin Auto Racing have announced that beginning with Friday night, May 10th, the weekly modified stock car races at the Kenosha County Fairgrounds Speedway in Wilmot will be held on Friday nights instead of Saturday nights as they have for the past 15 years.

Jim Smith of Patenjin Auto Racing stated that there are now three other tracks operating on Saturday nights within a relatively short distance of Wilmot as compared with just one track about a hundred miles away running the modifieds on Friday nights. Smith also said that he expects a very large field of cars and drivers, some of whom have never appeared at Wilmot previously, to become weekly favorites.

He also expects many of the Milwaukee Stock Car Racing Association's stars and cars to appear weekly.

Smith qualifies his statement of the most exciting stock car racing by stating that the physical layout of the dirt surfaced Wilmot oval, what with its long straight-aways and sharp corners easily lends itself to a thrill laden show for both the customers and the drivers. This same layout of the track, according to Smith, provides a good opportunity for the drivers to race and pass rather than merely follow the leader. Excitement and good racing are the main objective of race fans and Smith said.

He further stated that since the management has let it be known that the track was returning to modified stock racing, the reaction from customers who previously had never missed a modified race at Wilmot, was terrific.

During the early part of the 1966 racing season the modified drivers and car owners requested that Smith make some changes in track policy. This in turn led to a misunderstanding that could not be resolved immediately and the Kenosha oval then discontinued the modifieds, running the late model sportsmen class only.

During the past season the differences between track management and the modified group were cleared up. For 1967 the Fair Grounds track will also begin a hobby class of races for newcomers to the sport.

Time trials will begin at 7:00 p.m. and the first of nine other events will begin at 8:30 p.m. Children under 12 years of age accompanied by their parents will be admitted free.

Bob Murphy and Lynn Barthel clearing the hurdles in the Lake Forest Meet.

Take-off. Bill Sheldon strains every muscle as he takes off for the broad jump. He took first place in the Lake Forest meet with a 19' 9 1/2" leap.

Little League Opens Season

On opening day at the Little League, the Tigers dropped the first game to the Sox, 3 to 7. The Sox, who were in the lead the whole game, got their only threat from the Tigers in the fifth inning when Tim Miere gave up 4 hits and 3 runs. The big inning for the Sox was the 4th when they batted around picking up 4 runs. The winning pitcher was Miere. The losing pitcher was Ricer.

RHE
Tigers 0 0 0 3 0—3 5 3
Sox 2 0 1 4 4—7 9 6
DODGERS 10, YANKEES 7

The highest scoring game of the week was Tuesday's game between the Yankees and the Dodgers. Things looked bad for the Yankees as they went into the sixth inning since they were losing 6 to 3. The Yankees came back with 4 runs and the score was 7 to 6. But

the hero for the Dodgers was the pitcher, Molini when he hit a three run home run in the bottom of the sixth to win it. The winning pitcher was Molini in relief of Larson. The losing pitcher was Tossy in relief of Bolton.

RHE
Yankees 0 0 2 0 1 4—7 3 8
Dodgers 0 2 1 2 1 4 10 9 5

TIGERS 6, GIANTS 1

Mike Gutowski and Jerry Reckers teamed up to pitch a one hit game on Friday against the Giants to win a 6 to 1 decision. The only hit was a single by their catcher Lear in the first inning and the only run was an unearned run in the sixth inning scored by Johnson.

The Tigers' big inning was in the fifth when they scored five runs. A key triple was hit by Marty Ricker which scored 2 runs. The winning pitcher was Mike Gutowski. The losing pitcher was Wirth.

RHE
Giants 0 0 0 0 1—1 1 2
Tigers 0 0 0 1 5 6 4 3

Wednesday's game between the Giants and the Cubs was called because of darkness, and Thursday's game between Sox and Dodgers was called because of rain. These games will be made up at a later date.

This week's schedule:

Thursday, May 18—
Tigers vs. Yankees

Friday, May 19—
Cubs vs. Dodgers

Tuesday, May 24—
Yankees vs. Sox

Wednesday, May 24—
Cubs vs. Tigers

Thursday, May 25—
Dodgers vs. Giants

Thrills, Chills & Spills At Speedway Track

The May championship races at the Waukegan Speedway furnished the fans with all of the thrills, chills, and spills that a stock car fan could ever expect. Three small fires, numerous crashes into the wall, a new ten lap track record, a wild and woolly 50 lap feature and a rollover highlighted the events. Jim Cossman won the main attraction, taking the lead from Jack Ester with only six laps to go.

There were different winners in every event as all of the races were hotly contested. Dennis Burgan set the fast time and later won a ten lap heat race after starting at the handicap tenth position. Burgan blistered the track in those ten laps and established a new ten lap mark.

Hobby stock racing got off to a fine start with a hot race between Tom Ruess and Dave Fitzsimmons for first place honors. Ruess winning . . . but then as the checkered flag fell, early leader Cora Morton, rolled her Pontiac over. She was unhurt and will be in competition for the races next week.

Dave Evans won the exciting trophy dash by a whisker over Jim Cossman in the opening race.

SUNDAY NIGHT

Claude Potter became the third winner in as many nights as the Waukegan Speedway presented modified stock car racing Sunday night. Light rain fell most of the evening, but the track condition remained good.

Roger Otto set the fastest time of the year in qualifying with a blistering 16.87 seconds clocking. Whitey Harris, Chuck Uttech, Potter and Ray Dobbs won the preliminary races. The sixteen car feature took starter Frank Pinter's green hammer, but got no further than the backstretch when the trouble started.

Dary Nissen bounced off the wall and in quick order Ray Dobbs and Whitey Harris scraped the wall while Potter went bouncing down the track sideways. A restart was needed and Jim Sullivan took the lead. Sullivan and Homer Ansell jockeyed for top spot in a heated battle until Ansell slipped past in the eighth lap. One lap later Ansell dropped out and Potter, who just took second, was

News Backs New Team

The Antioch News is sponsoring an entry in the Knights of Columbus 16" Softball League this summer. The team will consist of players from Antioch, Fox Lake and Round Lake and will play a 14-game schedule.

The games will be played at the Knights of Columbus Field on Wilson Road in Ingleside. Games are scheduled for Wednesday and Friday evenings with the first game, starting at 7:30 p.m. and the second game at 9 p.m.

There are eight teams in the league. The new Antioch entry, which will be managed by Grayslake Coach Donald Klein, will wear red and white uniforms with the team name, "Antioch News", on the front of the jersey and numerals on the back.

As welcome as the first daffodils are garden-fresh spring vegetables. Make a quick, convenient and flavorful sauce by melting butter and pouring it over your favorite cooked vegetables. It's the perfect seasoner. Salt and pepper to taste.

Hawkins New Pro At Olympia Fields

Fred Hawkins, a former resident of Antioch and well known pro golfer, was named recently to the post of head golf professional at the Olympia Fields Country Club.

Fred will take over his new post Jan. 1, 1968. He joined the pro tour in 1947 and over a period of 19 years won more than \$200,000. He started golfing at the Chain 'O' Lakes course at Antioch.

Fred placed second in the 1956 World tourney at Tam O' Shanter and was runner-up in Tam's 1951 All-American. In 1963 he tied for sixth place in the Western Open at

Chicago's Beverly Country Club, and in 1962 tied for first place, with Gary Player at Medinah.

Fred's father, Fred Hawkins, Sr., lives in Antioch.

Hot buttered popcorn is pleasing to kids of all ages . . . anytime. Pop it in minutes in a fry pan or popper. Toss your hot popcorn into a handy bowl, sprinkle with salt and drizzle generously with melted butter. Hot buttered popcorn is a welcome treat when the family's watching TV or as a nibbler at any informal party.

Granny's Store Opens At Camp Grounds

Granny's Country Store opened formally Sunday, May 14, at the Indian Trails Camp Grounds west of Par-deeville, Wis. The Camp

Grounds and store are owned and operated by Charles and Betty Meierdick and Betty's parents, Jean and Bill Valkenaar. The Meierdicks

and Valkenaars are former residents of Antioch. A good many Antioch people who like camping out and trailer living visit the

Indian Trails Camp Grounds each year and visit with the Meierdicks and Valkenaars.

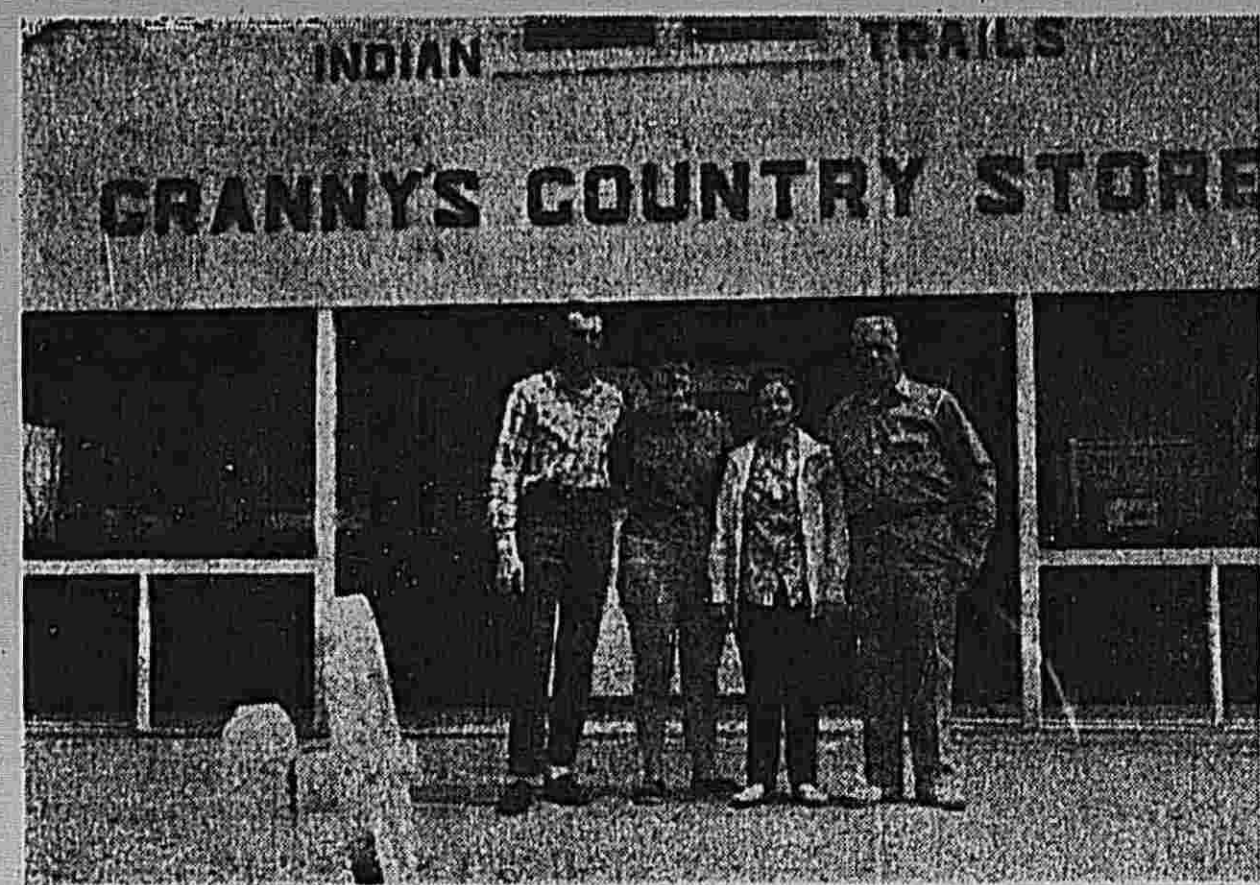

The new Country Store has a display of authentic antiques, including a pot bellied stove, cracker barrels, kerosene lamps, coffee grinders, old hand tools, old jugs and crocks plus a 500 piece Indian arrowhead collection.

The display was assembled by Jean Valkenaar (Granny) to show the children of today how things were in the "olden days."

Another feature of the camp grounds is the children's playground, with a large Indian teepee.

The Camp Ground covers 70 acres of land with two lakes, where fishing is good for bluegills, bullheads, bass and northern pike. The owners have stocked the lake in addition to the normal fish population. Swimming is provided in the smaller lake.

There are 18 trailer sites at the grounds with complete hookups for electricity, sewer and water, in addition to room for many trailers to park.

Granny's Country Store is a new addition to the Indian Trails Camping Ground at Par-deeville, Wis., operated by former Antioch residents, Betty and Chuck Meierdick (left to right) Jean and Bill Valkenaar in front of the new store.

Bohn Breezes Home In Modifieds

Bill the Bullet Bohn from Bristol, won the 30 lap feature Saturday night, in the second week of modified stock car racing at the Lake Geneva Speed Center. Thirty-two modifieds were on hand as the competition and attendance were both on a definite up-swing.

The feature race had to be restarted when Pete Tropino and Jr. Dodd spun in the first corner on the first lap. On the restart, Fran Ansell took the lead and held it for just one lap before Bill Bohn breezed into the lead. On the fifth lap, another restart was necessary when several cars tangled in the number four corner. By this time, Jr. Dodd of Waukegan in the A-4 Team Modified, had lost a complete lap, but on the restart, he was positioned between Bohn and Homer Ansell.

A great battle shaped up between Ron Bergsma, Ron Larson and Rodger Otto. Ahead of them, Larry Leach and Homer Ansell were engaged in a close duel. By the 12th lap, Otto had moved up into 3rd place and then got around Larry Leach who was then second.

Otto was closing in but it might have taken as many as a hundred laps before he could have caught and passed the Flying Bullet from Bristol. Finishing behind Otto

in second was Ron Bergsma of Richmond, Larry Leach of Elkhorn, Chuck Uttech of Kenosha, Homer Ansell of Milwaukee and Duane Harris of Lake Villa. Rounding out the first ten were Pop Kline of Pell Lake and Ron Larson of Kenosha.

Modified heat races were won by Russ Sorenson, Claude Potter, Duane Harris and Rodger Otto. Otto won a thriller when he started in the back of the fourth heat and got around Homer Ansell on the last lap.

Ray Dobbs of West Allis won the modified semi feature over Eddie Loomis, Dean Krauze and Red Adams. Dwayne Dreds of Lake Geneva won the first late model stock car heat and Rick Sekyler the second. Dreds came back and won the feature over Champion Bill Snoodie and Leroy Knudson of Woodstock, Ill.

In the Spectator Stocks, Leroy Stevens and Claude McGough, both of Lake Geneva were the winners.

Ron Bergsma set fast time averaging 60.41 MPH. New Saturday night, the Speed Center holds its first annual Gold Rush Night which gives fans the chance to pick up as much as they can from the Speed Center asphalt track. Trucks will shovel coins onto the track for fans to pick up.

3,000 Attend Share-The-Fun Festival

More than 3000 persons attended the 1967 Lake County 4-H Club Share-the-Fun Festivals held on the evenings of May 1, 2, and 5, according to Farm and Home Advisers Ray T. Nicholas and Helen Volk, and Assistant Home Adviser Marjorie Robbins. A total of 23 clubs presented acts in the semi-finals held the first two evenings. From these semi-finals, eleven acts were selected for the finals on the third evening of the presentation.

The highest scoring act among the 23 presented was a dramatic number by the Volo Busy Bees Club entitled "The Musical Sounds of Peanuts."

The first alternate and second highest scoring act was the dance and song number entitled "Razz-Ma-Tazz" by the Stem of the Clover Club of Waukegan led by Mr. and Mrs. Fred Zieske.

The top scoring member in the Master of Ceremonies class was Kathy Heitkotter, 16, daughter of Mr. and Mrs. Rudolph Heitkotter, of the Waukegan Club led by Mrs. Barbara Dale and Mrs. Jean Heitkotter.

The first alternate and sec-

ond highest scoring master of ceremonies was Roger Shanks, 16, son of Mr. and Mrs. Douglas Shanks, and a member of the Happy Hayceeds Club.

The judges of the festival on the final evening were Mrs. Travis Nelson, Lake Forest; Mrs. Ivan Franzen, Libertyville; Darrel Bader, Gages Lake; and Louis Orr of Fox Lake.

In addition to the Volo Busy Bees and the Stem of the Clover Clubs who earned first and second place honors, each of the following club had earned blue ribbons for superior performances at the semi-finals for their acts: Antioch Adventurers, "Paper of Pins"; Grayslake Agricultural, "Sing Out, America!"; Barrington's Flynn Valley, "Yesterday, Today and Tomorrow"; Sequoit Suzies, "Fortune Cookie Affair"; Happy Hayceeds, "Hayloft Swingers"; We Willing Workers, "Die Schmitzbank"; Stem of the Clover, "Are You Ready?"; Millburn Hornets, "The Story of Lochinvar"; Millburn Maidens, "Illinois Special"; North Prairie, "Young America Sings"; Villa Pins and Needles, "67 Beautiful Baby Contest"; and Chain O' Lakes, "Commercials Are Better Than Ever".

The Masters of Ceremonies earning blue ribbons in addition to the first and second place finalists were Judy Hevrdjes, Sequoit Suzies Club; Kris Zander, North Prairie Club; also Nancy Rolin, Chain O' Lakes Club; and Gary Doolittle, Millburn Hornets Club.

The blue ribbon winners will perform at the Lake County Fair and 4-H Club Show opening night's performance Wednesday evening, July 26.

The Share-the-Fun Festival programs are a part of the 4-H Club activities of the Lake County Cooperative Extension Service of the University of Illinois.

What does the figure \$50.3 billion mean to you? It means a brighter future for millions of Americans who own that much in Series E and H Savings Bonds.

Gold Rush Night At Race Track

The Lake Geneva Speed Center has announced that the first annual Gold Rush Night will be held this Saturday night, May 20. The event is one that is entirely new in this area. The plan has been very well received by both drag strip and race track fans on the west coast.

During intermission at the Speed Center Saturday night, fans will be permitted to go into the infield of the asphalt oval track. A truck will be driven along the main straightaway of the oval and coins will be shoveled out onto the track. At a signal, fans will have the chance to rush forward and pick up as many coins as possible. An additional prize will be made to the person picking up the most coins.

Coins used are real and NOT tokens. The rush of fans for the "gold" is just as exciting to watch as the California Gold Rushes were in the '40's.

In addition, the regular program of modified and stock car auto races will be held. This plan is just one of many planned for Speed Center fans this summer.

Doctors in private practice see more patients suffering from respiratory diseases than from any other single group of ailments. Acute, respiratory infections are the most frequent causes of sickness.

Tryouts For Legion Team June 3 & 6

Antioch will field an American Legion team this summer for the first time in several years.

The Antioch team will be managed by Art Blecke and coached by Bob Yonke and Terry Faro, with several other coaches participating.

Antioch's team will participate in the west section of

American Legion District 10. Tryouts for the team will be held on the Antioch High School field, Saturday, June 3, from 1 p.m. to 5 p.m. and Tuesday, June 6, from 4 p.m. to 6 p.m. Additional practice times will be announced at the June 6 tryout.

All boys who were born on or after August 1, 1948, are eligible. They must have resided in the Antioch High School district on or before March 10, 1967, and must have a birth certificate or official county or state record of birth.

THE ANTIOCH NEWS 8 THURSDAY, MAY 18, 1967

The schedule for Antioch Post 748's team is:
June 12 at Mundelein
June 14 Wauconda at Antioch
June 19 at Barrington
June 21 at Lake Zurich
June 23 at Grayslake
June 26 Lake Region at Antioch
June 28 Mundelein at Antioch
June 30 Barrington at Antioch
July 55 at Wauconda
July 7 Lake Zurich at Antioch
July 10 Grayslake at Antioch
July 12 at Lake Region (Grant High School).
All games begin at 6 p.m.

Honor AFS Students

Diana M. Stagg was one of almost 100 Foreign Exchange students honored at an afternoon dinner and meeting at the Union League Club of Chicago.

Diana is from Ecuador and attends Antioch High School under the auspices of the American Field Service.

The students at the dinner come from all parts of the free world. They live in American homes, where their sponsors become parents to them during their stay in the U. S.; the young American people in these homes

are their brothers and sisters. To qualify in the American Field Service program the students have met high standards, just as must American young people going abroad in the counterpart of the program.

The young people attended panel discussions and question and answer periods. More than 200 persons attended the dinner, including faculty members from all schools, educators, officers of the Club, and invited guests.

After dinner the students themselves took over the entertainment, with native dance ceremonies and musical numbers.

I Am A Tired Housewife

Reprinted from U. S. News & World Report of March 27, 1967.

By Mrs. J. P. Strickland

I am a tired housewife. I am tired of trying, in this land of abundant food, to balance my budget when milk prices jump three cents on the half-gallon, and meat which was 89c per pound goes to 89c in just one week's time.

I am tired of staying home while my husband burns the midnight oil studying, so that he can make the next pay step-up—only to find these added earnings gobbled up by increased taxes and rising living costs.

I am tired of "experts" calling conscientious mothers neurotic for insisting that their offspring toe the line.

I'm tired of attorneys and social workers and courts who continue to hand down candy-coated sentences because, they claim, the poor dear hoodlum wasn't brought up in the right environment—an environment that half the world would be envious to share.

I'm tired of the cement deserts swallowing up lovely trees and making pensioners homeless—all in the same bulldozer type progress or code-rating accommodations.

I'm tired of hearing of all of the "isms" which are supposed to take the place of the ideals and ideas propounded by our God-fearing forefathers, who died that we might be free. I'm tired of having these liberties taken away from my children step-by-step in the name of social benefits.

I'm tired of being told that it's sissy or old hat to believe in God's Way and that God is dead.

I'm also tired of hearing that Christmas carols shouldn't be part of a school concert.

I'm tired of seeing our police officers ridiculed and criminals exalted during riots and "marches."

I am tired of begging people to help me in the home—then having them turn me down because they might miss an unemployment check.

I am tired of intermittent phone calls during the day and night by some quack who took offense at a letter penned to the local newspaper. I get especially tired when my youngsters are awakened from naps by this or by advertising or soliciting over my private line.

I'm tired of being told that my work is easy because I have modern appliances in place of a real live maid and

that my tiredness from sixteen or more hours of labor in my home is caused by my not having enough outside interests. In fact, I'm tired of not having time to see perfection in my household tasks because the demands on my time to civic causes take up so many hours, yet accomplish little because of constant bickering over chairmanships or protocol.

I'm tired of texts which my children bring home from school telling how wonderful world government will be and how selfish the U.S.A. is, not to give away everything she has earned by the sweat of her brow.

I'm tired of answering begging calls or receiving piles of "gimme" mail even after giving generously to the United Fund. My feet are sore from helping out at rummage sales and the like to raise money for things which my husband's tax money is supposed to cover.

I'm tired, tired, tired of the idea that sex education is a panacea for every ill under the sun.

I'm sick and tired of the "better" women's magazines (thinking they have to have an article on sex in each current issue).

I'm tired of having to run to turn off my radio when smutty jokes come over the air, often under the guise of folk songs.

I'm also tired of having to censor my current magazines before letting my children read them.

I'm tired of improving my property by painting and adding new fixtures, only to have my taxes doubled because of those improvements.

I'm tired of seeing the hurt look in the eyes of my children when they wear half-soled shoes to school while playmates whose parents are "on the dole" get shiny new shoes to flaunt.

I'm tired of seeing people who have saved diligently being penalized for their thrift while the ne'er-do-well is coddled with unearned benefits.

Yes, I'm sick and tired of seeing people with initiative and good old Yankee ingenuity pushed around while loafers are being paid to be slothful. I'm sick of this modern psychology which is so different from the Golden Rule and the Book of Proverbs.

I am tired of seeing this once wonderful God-fearing nation bowing to Satan's whims, but I am not too tired to pray.

(Copyright 1967 U.S. News & World Report, Inc.)

SCIENCE

briefs

Litter of Diamonds

Tiny diamonds, too small to be seen without a microscope, may be common on the Moon's surface, three U.S. physicists believe. They're formed when a carbon-containing meteor hits the lunar rocks.

Selective Pollution

Residents of New York's Staten Island, who have to breathe polluted air drifting over from New Jersey, have higher lung cancer rates than do people on the other side of the island, a recent federal conference was told.

Simian Helper

Coconut growers in Thailand have trained a number of pig-tailed macaques, an agile South-eastern Asian monkey, to do their picking for them. The animals work six hours a day, a U.S. psychologist reports.

Smoking and the Heart

Cigarette smoking "is probably not associated with coronary heart disease," a new Swedish study of twins has concluded. The investigators suggest that smokers are genetically different from non-smokers.

Marine Dentist

The sight of birds cleaning the teeth of crocodiles has been familiar in Egypt for many centuries. Now a Miami biologist has found that the red-banded shrimp performs the same service for coral-reef fishes.

"SITZMARK"

Courtland, Kansas—(HK)—One of the residents of this small (population: 384) town in north Kansas is creating art news these days, with a series of sculptures done in steel wire.

Mrs. Dorothy Johnson, who works in the bank, is a sculptress in her spare time. Lately, she has begun concentrating her work in steel, and specifically in steel wire, as opposed to the flame cutter and welding torch school, where members usually work with bigger and less malleable forms of the metal.

One of Mrs. Johnson's latest works, "Sitzmark," has been sold to a private collector in New York. The figure is that of a lady skier, slightly out of control, caught at the exquisite moment that comes between the art of skiing and the fact of life.

Bahamas: A Small But Growing Internal Financial Center

Nassau, Bahamas—(HK)—Quietly and with little fanfare, the tiny island nation of the Bahamas is diligently pursuing a course aimed at helping to reduce the nagging balance of payments problem of its good neighbor, the United States.

At the same time, the Bahamas is strengthening its position among the giants of the world's financial centers.

American tourists, who represent about 82 per cent of the visitors who travel to the Bahamas, each year, spent \$55.6 million in the Bahamas during 1966, Bahamians, however, spent a total of \$107.6 million in the United States last year. For every dollar spent by U.S. tourists in the Bahamas in 1966, therefore, Bahamians spent \$1.93 in the U.S.

These and other financial facts, presented to executive officers of leading international financial institutions by Premier Lynden O. Pindling on his first official visit to New York, are a part of the bright financial picture of the Bahamas, an acknowledged leader in world finance.

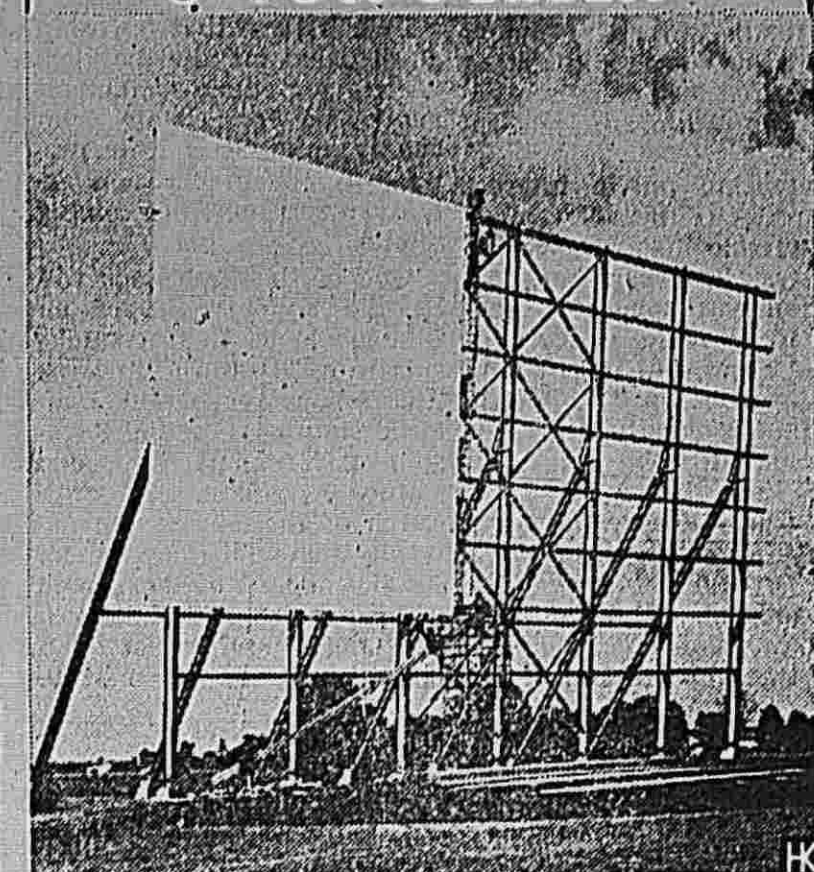

On the surface, it would appear that the Bahamas is incurring a substantial dollar deficit in its trade with the U.S.; this would certainly be the case if its dollar position were influenced by tourism alone.

However, Mr. Pindling noted

that the excellent dollar dividend to the U.S. was the result of the Bahamas' liberal tax laws and its reputation for political stability which have helped to establish it as a small but growing international financial center. Inflow of U.S. and Canadian investment dollars in 1966 totaled \$64 million.

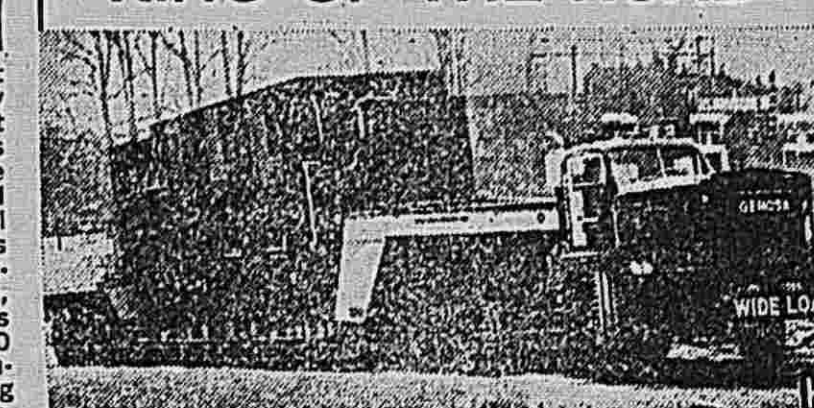

Obviously, the Bahamas is becoming an important banking and trust repository for dollar funds coming from abroad. The fact that the government does not foresee the introduction of taxes on incomes, capital gains and estates assures its intention to attract and safeguard overseas investments in the islands.

8-TON SCREEN

SPRING MEANS BUDS and bees and in northern climes, the scent of popcorn once again hits the air as the drive-in theatres reopen. In Markham, Ontario, workmen are putting up a new drive-in theater screen made of sheet steel, pre-painted white, for top-quality movie projection and fabricated without horizontal joints for maximum ease of viewing. Each panel is 12 inches wide and 50 feet long and the vertical seam between panels is virtually invisible. A tough steel frame supports the eight-ton screen.

KING OF THE ROAD

THIS GIANT tractor-trailer combination weighing 900,000 lbs. is probably the world's heavyweight champion of the highways. Powered by a Cummins V12 525-hp diesel engine, the rig is used by Gerosa Hauling Company of the Bronx, New York, to transport electric transformers. Anywhere the monster operates it requires special permits because of its size and weight. The average tractor-trailer combination normally seen on the highway weighs about 70,000 lbs. fully loaded.

Dill, the aromatic annual herb plant, was one of the favorite herbs of the ancient Greeks. It is a delightful seasoning. Become better acquainted with it by preparing this Cottage Cheese Dill

Dressing. In a mixer or blender, whip together 2 cups cottage cheese, 2 tablespoons white vinegar and 2 tablespoons lemon juice until smooth and creamy. Mix in 2 teaspoons dill weed, ¼

teaspoon celery salt, ¼ teaspoon sugar and ¼ teaspoon grated lemon rind. Chill until ready to serve.

The island of Corsica was the birthplace of Napoleon.

Township Government In Illinois

BOLD, NEW APPROACHES

(Eleventh in a series of articles on township government—how it is changing—and changes to come.)

Bold, new action by and for township government in Illinois is coming in 1967.

This is energized from two directions. First, there is an increasingly evident revival of public and governmental interest in the role of township government, not only in Illinois but also throughout the nation.

Second, township leaders in Illinois are stimulating action that will add new vitality to township government.

Increasing public interest was reflected last November in an election in Saline County. The news of this election was somewhat submerged by more widely publicized races, but it had vital significance. In this Southern Illinois county, township government was put to a vote: keep it or throw it out. The citizenry of Saline County voted to keep township government—by a 2½ to 1 margin. The vote was 7,103 to 2,665.

At the opposite end of the

state—in the northern township of Niles—Supervisor John J. Nimrod has stimulated thinking that is certain to be reflected in public and legislative action during 1967.

"The future of this people's form of government looks very bright," said Nimrod. "In 1967 we will start with an official restudy of township government, then seek every possible way to improve, expand and strengthen it."

"We believe that township government may be the ideal vehicle for administration of many national, state and county programs and we propose to encourage such activity throughout the coming months."

One of the first steps will be the appointment of an Illinois legislative commission to codify township laws. This means regrouping scattered statutes affecting township government into one statutory section. Modernization of these laws will naturally follow. It is predicted, for the benefit of the people within township jurisdictions. This updating has not been done in Illinois since 1870.

Officials representing the state's 1400 townships adopted a resolution during their 1966 convention in October, requesting the state legislature to undertake this project. Reports from Springfield indicate that it will be done.

A variety of structural and administrative changes in township government will be considered in this legislative commission study.

One may involve the physical size of townships—to establish a minimum based on square miles and property value evaluation. Theoretically, townships should be 36 square miles in size, but there are some which are smaller than this, and which contain a small population count and few urbanized areas.

Another suggested change would bring the township to the forefront as a voter registration and election control body. These functions are now handled at village, city or county levels, but generally without standardized procedures throughout the state. Township clerks are well qualified to serve as registration and election officials beyond their present duties of supervising township elections.

Changes in tax-assessment and collection procedures—now handled differently throughout the state by either township or county officials—will be considered. This involves standardization and modernization of these functions—again updating the township's role.

State law now requires that a highway commissioner be elected in all townships in the state, even in those which do not have township roads. This applies to many city-township and suburban-Chicago township units. A proposal will be made to remedy this situation in areas where there are no roads under township jurisdiction.

Township officials have also suggested a change in the name of town auditors. Although the three elected auditors are responsible for auditing township accounts, their duties can and do go beyond this function. They serve as township directors—

and it is proposed that they be so identified.

A controversial area of physical changes in townships affects the status of "downstate" township supervisors and assistant supervisors who, upon election to these offices, also serve on county boards. This pattern exists in all counties except Cook, where a separate board of county commissioners is elected every four years.

In other counties, the township-county inter-relationship has been an effective means of coordinating district governments. However, the matter has become involved in legal interpretations of the one-man, one-vote rule, and there is agitation to change the pattern. A change would drastically affect procedures and responsibilities of township and county officials, and would require a series of alterations in state legislation.

Before this issue is settled, there will be considerable debate and perhaps supreme court rulings.

These considerations—starting with codification of the law—portend the future of Illinois township government structure. The concluding article in this series will cover the futures in township responsibilities to the people of the state.

Lindenhurst News

By Mrs. Bernice Bernau
Editor 6-5649

(Written for May 11)

Fourth Grandchild

Denver and Mary Shore became grandparents for the fourth time when their son John's wife, Valerie, gave birth to an 8 pound, 2 ounce baby boy at St. Therese Hospital on May 2. The little fellow has been named Daniel Michael. May 2 also happens to be the birth date of Denver, and made a very nice birthday present. The Shores' other three grandchildren are Donna Marie, David Michael and Debbie Marie. Have you noticed the D and M pattern? The children are also the great-grandchildren of Paul and Julia

Pearson. The young Shores live at 319 Burnette, Lake Villa.

Women's Club Meeting

The Lindenhurst Women's Club met Thursday, May 11. The Lake Villa Rescue Squad gave a program before the meeting. Mouth to Mouth resuscitation was demonstrated.

Hospital Patients

Eugene Malcolm spent several days at Victory Memorial Hospital last week. He is doing well.

Jean Gurke is still at St. Therese Hospital, receiving treatment. She expects to be home this week.

Bill Shults was scheduled to come home from Victory Memorial Hospital last Sunday. He had a heart attack three weeks ago. He will be home for some time, taking it easy. At least, the Doctor said he should.

Sister Mary Kenneth Returns from Africa

Sister Mary Kenneth of the Holy Child Order, has returned from her Missionary work in Africa. She was assigned there for the past eight years, and was home for a visit four years ago.

Sister Mary Kenneth is the daughter of Mrs. Mary Williamson, and the sister of Charles and Lawrence Williamson. It was a great reunion two weeks ago for her mother and family. Sister will stay in this country for a few months before returning to Africa.

Gabriel Richardson Course

If you are interested in attending a Demonstration Class of the Gabriel Richardson Course, plan to attend the one at the Seminary in Mundelein on May 16. Time will be told next week or call Frank Skrzynecki, 356-8657 for more information.

Cub Scout News

Cub Scout Pack 84 met April 27 at the Lindenhurst Civic Center. Jack Thompson held a short meeting with the parents before the ceremony opened. All the members of the Cub Scout "family" were introduced, and all the parents had a chance to introduce himself and tell about his hobbies.

The new charter for 1967 will be presented next month.

The opening ceremony was presented by Den 2: followed by a song, "Rocket, Orbit, Orbit," written by

Ralph Stangel, Cub Scout leader. The music was to the tune of "Skip to My Lou, My Darling." Den 4 gave a skit about "Your Health" and Den No. 1 sang "The Bear Went Over the Mountain." Two Cub Scouts graduated into Boy Scouting. James Hartwig, Boy Scout leader, and his pack 84, were present to receive Phillip DuMelle and Don Wismer into the pack. The boys crossed a bridge, hand-made by the pack, and exchanged their gold scarves for red ones.

Awards were given as follows: Mitchell Kleban, Wolf badge and Denner badge; Rocky Olson, Michael Golden, Bill Szczesiak, and Frankie Anderson each received a silver arrow. Terry Roth received two silver arrows. David Mindak, Patrick Mauck and Frankie Anderson each received their Bear badge. Patrick Mauck, Marc Leavy, Steve Paige and Jeff West each received a One Year pin and Michael Vovanda his Two Year pin. A gold arrow was given to Steve Dumelle, and a Denner badge to Michael Kovanda.

After the closing ceremony by Den 5, refreshments were served.

Hospital Patient

Mrs. Dennis (Jean) Gurke, 1110 Mary Dr., Venetian Village, has been in St. Therese Hospital since April 24, for observation and treatment. She was put in traction Saturday for a slipped disc. Little Steve and Dave are being cared for by both their grand parents, Bill and Blanche Novitsky and Hank and Marie Gurke of Venetian Village, also.

New Officers
Mrs. Paul (Ruth) Bocox will be installed as president of the Lake Villa Township Women's Club May 10, at the Waltonian in Fox Lake. Other members to be installed at the dinner are Mrs. Fred (Elaine) Teltz, vice president; Mrs. Fritz (Charlotte) Wagner, treasurer; Mrs. John (Shirley) Meyer, recording secretary; and Mrs. Ed (Evelyn) Norwich, corresponding secretary.

The card and bunco party that the club sponsored last Wednesday was well attended. About 20 tables were filled. All the profit from the party is to be given to the Lake Villa Rescue Squad to purchase an inter-com or whatever they need.

Receives Watch for Service
Gus Eckert, Rte. 21, Lake Villa, was awarded an engraved Bulova wrist watch for 25 years of service, at the Stewart-Warner Corporation's 24th annual banquet, last Thursday at the Pick-Congress Hotel in Chicago, for their Quarter Century Club employees.

Other area residents who attended the affair were George Allan of Lake Shangri-La, Wis., who has around 40 years of service; Ed Bernau of Lindenhurst, with 32 years, and Dominick (Bill) Wilhelm of Venetian Village who retired 11 years ago. Mr. Wilhelm was awarded a \$25 savings bond for being married the longest to the same woman. He and his wife, Agnes, celebrated their 55th wedding anniversary, Sept. 27, 1966. Mr. Wilhelm attends every year and looks

THE ANTIOCH NEWS 10

forward to seeing his old friends. Bureau drove him and Allan home.

Nite-Owls Get-together
Canasta was played at Ellen Harsh's home last Friday evening when the "Nite-Owls" got together. Winners were Bert Harceg, a pair of pyrex salt and pepper shakers and Pauline Heick, a salad fork and spoon set. Drawing for the third prize, Helen Mindak won a pastry cloth. Refreshments were served.

Awards To Students On Honors Day

Honors and awards went to thirteen Antioch High School students at Antioch Day Ceremonies at Antioch High School last Wednesday afternoon.

Both the American Legion and the Antioch Woman's Club presented awards to Glenna Burns and Jerry Whitson as the Outstanding Girl and Outstanding Boy of the Class of 1967.

Albert Swenson presented American Legion medals to Glenna, Jerry and to David Blagg as winner of Boys' State.

Mrs. Joseph Horton presented the American Legion Auxiliary Girls' State award to Mary Ellen Osmond.

Mrs. William Brook, representing the Antioch Woman's Club, presented several awards, including the Outstanding Boy and Girl. The Alice E. Smith scholarship went to Candace Bentel, with Linda Nelson as alternate; the Art Federation award to Susan Hession; Chorus (Eastern Ill. U.) to David Bushnell; Conservation (Southern Ill. U.) to Lance Laursen, and Band (Eastern Ill. U.) to Glen Erickson.

Harry Stern, representing the Northern Illinois Conservation Club, presented an award to Ainsley Brook.

David Cain presented the Jedge & Cain scholarship to Judy Furlan. This goes to

the outstanding student majoring in business.

The D.A.R. award, presented by Mrs. Niels Madsen, was presented to Glenna Burns.

The Antioch P.T.A. Scholarship was presented to James Greer and Kristyn Borchardt by F. Mitchell.

Savings Bonds Sales in March

Lake county residents purchased a total of \$844,540 in series E and H United States savings bonds in March according to Philip L. Speidel, Lake Forest, general county chairman of the savings bonds committee.

Purchases in the state of Illinois were \$30,056,649, according to Arnold J. Rau, state director of the Treasury Department's savings bond division. This is 13.5% below the total for last March and accounts for 6.5% of national sales which were \$459,000,000. Public holdings of series E and H United States savings bonds gained \$116 million in March. The cash value of series E and H bonds outstanding at the end of March was \$50,514 million. A year ago the figure was \$49,405 million.

Spring cleanup. Buy a new electric range and get the wiring free.

(If you buy one with a self-cleaning oven you'll really clean up.)

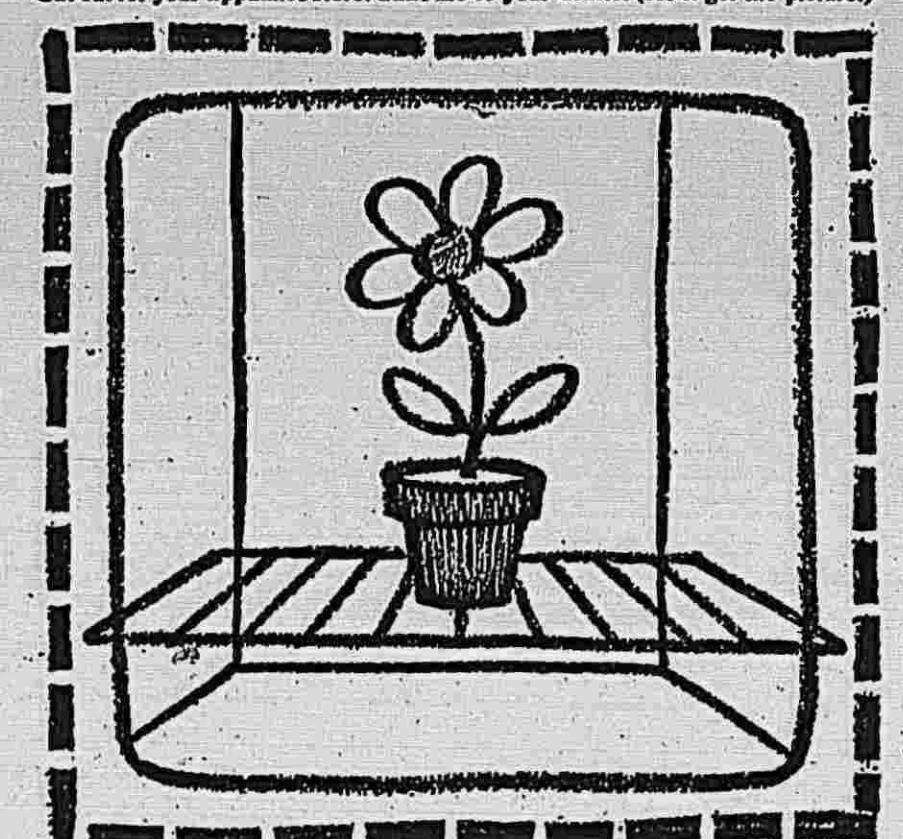

It's a hard deal to beat. You buy a new electric range—the necessary wiring will be installed free. This offer can save you over \$100. (And you can add other heavy-duty appliances later.)

Make your new range one with a self-cleaning oven (if you want) and save even more. Because the new self-cleaning oven does a better job with about 8¢-worth of electricity than you could with a whole can of oven cleaner. Not to mention the savings in time and scrubbing.

So if you like saving money, see the modern electric ranges at your dealer's now. And take a particular look at the self-cleaning oven.

Commonwealth Edison Company

Cut out for your appliance store. Take me to your dealer. (He'll get the picture.)

FREE INSTALLATION OFFER. Now you can install a new electric range and get the wiring free. This offer applies, for a limited time only, to a standard wiring installation for a new electric range in any single-family dwelling or, for all new electric ranges in a two or three-apartment building served by Commonwealth Edison.

SATISFACTION GUARANTEED. If within 60 days you are not completely satisfied with your new electric range, Commonwealth Edison guarantees full refund of your purchase price. See your dealer for details.

The bright new ideas are Electric.

NOTICE OF PUBLIC HEARING AS TO THE COMBINED TENTATIVE BUDGET AND APPROPRIATION ORDINANCE OF THE "FIRST FIRE PROTECTION DISTRICT OF ANTIOCH TOWNSHIP"

PLEASE TAKE NOTICE that the Combined Budget and Appropriation Ordinance of the "First Fire Protection District of Antioch Township," in tentative form, has been prepared by the governing body and will be conveniently available for public inspection at the front of the residence of Irving B. Elms, President of said District, at Channel Lake Shores Subdivision, in Antioch Township, Lake County, Illinois, between May 9th, 1967 and June 27th, 1967.

A public hearing will be held as to such Combined Budget and Appropriation Ordinance at 8:00 P.M., D.S.T., on the 27th day of June, 1967, at the residence of Irving B. Elms, President

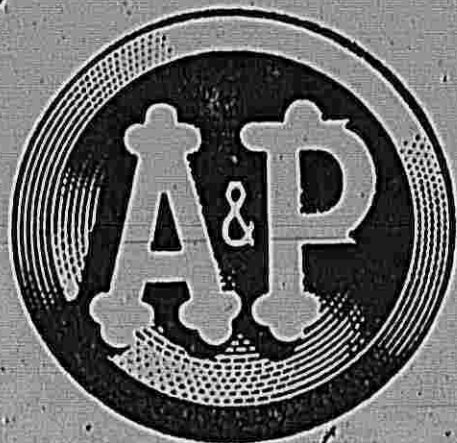

LEGAL NOTICE

NOTICE OF PUBLIC HEARING ON PETITION TO ORGANIZE CERTAIN TERRITORY SITUATED IN LAKE COUNTY, ILLINOIS, INTO A CLASS I JUNIOR COLLEGE DISTRICT

PUBLIC NOTICE IS HEREBY GIVEN that on March 2, 1967, a petition was filed with the ILLINOIS JUNIOR COLLEGE BOARD, requesting the calling of an election for the purpose of voting for or against the establishment of a CLASS I JUNIOR COLLEGE DISTRICT in the hereinafter described territory, the proposed district to be authorized to levy tax rates which shall not exceed .13 percent of full, fair cash value, as equalized or assessed by the Department of Revenue, for educational purposes, and .06 percent of full, fair cash value as equalized or assessed by the Department of Revenue for building purposes, said rates to be the maximum tax rates for education and building purposes.

The territory of the proposed Junior College District to be hereinafter described, to-wit:

All that part of County of Lake, State of Illinois, bounded by a line described as follows: Beginning at the southwest corner of Section 33 in Township 44 North, Range 9 East of the Third Principal Meridian, thence east along the south line of sections 33, 34, 35 and 36, in said Township and Range, to the southeast corner of said section 36, thence south along the west line of sections 6, 7, 18, 19 and 30 in Township 43 North, Range 10 East of the Third Principal Meridian, to the southwest corner of said section 30, thence east along the south line of section 30, 29 and 28 in said Township and Range to the point of intersection of the south line of said section 28 with the west line of the east half of the northwest quarter of section 33 in said Township and Range, thence south along said west line to the northeast corner of the southwest quarter of said section 33, thence west along the north line of said quarter-quarter section to the south line of said quarter-quarter section, thence east along the south line of said quarter-quarter section to the northwest corner of the east half of the southwest quarter of said section 33, thence south along the west line of said half-quarter-quarter section to the south line of said quarter-quarter section, thence east along the south line of said quarter-quarter section to the northwest corner of the east half of the southwest quarter of said section 33, thence south along the west line of said half-quarter-quarter section to the south line of said quarter-quarter section, thence east along the south line of said quarter-quarter section to the northwest corner of the east half of the southwest quarter of said section 33, thence south along the west line of said half-quarter-quarter section to the south line of said quarter-quarter section, thence east along the south line of said quarter-quarter section to the northwest corner of the east half of the southwest quarter of said section 33, thence south along the west line of said half-quarter-quarter section to the south line of said quarter-quarter section, thence east along the south line of said quarter-quarter section to the northwest corner of the east half of the southwest quarter of said section 33, thence south along the west line of said half-quarter-quarter section to the south line of said quarter-quarter section, thence east along the south line of said quarter-quarter section to the northwest corner of the east half of the southwest quarter of said section 33, thence south along the west line of said half-quarter-quarter section to the south line of said quarter-quarter section, thence east along the south line of said quarter-quarter section to the northwest corner of the east half of the southwest quarter of said section 33, thence south along the west line of said half-quarter-quarter section to the south line of said quarter-quarter section, thence east along the south line of said quarter-quarter section to the northwest corner of the east half of the southwest quarter of said section 33, thence south along the west line of said half-quarter-quarter section to the south line of said quarter-quarter section, thence east along the south line of said quarter-quarter section to the northwest corner of the east half of the southwest quarter of said section 33, thence south along the west line of said half-quarter-quarter section to the south line of said quarter-quarter section, thence east along the south line of said quarter-quarter section to the northwest corner of the east half of the southwest quarter of said section 33, thence south along the west line of said half-quarter-quarter section to the south line of said quarter-quarter section, thence east along the south line of said quarter-quarter section to the northwest corner of the east half of the southwest quarter of said section 33, thence south along the west line of said half-quarter-quarter section to the south line of said quarter-quarter section, thence east along the south line of said quarter-quarter section to the northwest corner of the east half of the southwest quarter of said section 33, thence south along the west line of said half-quarter-quarter section to the south line of said quarter-quarter section, thence east along the south line of said quarter-quarter section to the northwest corner of the east half of the southwest quarter of said section 33, thence south along the west line of said half-quarter-quarter section to the south line of said quarter-quarter section, thence east along the south line of said quarter-quarter section to the northwest corner of the east half of the southwest quarter of said section 33, thence south along the west line of said half-quarter-quarter section to the south line of said quarter-quarter section, thence east along the south line of said quarter-quarter section to the northwest corner of the east half of the southwest quarter of said section 33, thence south along the west line of said half-quarter-quarter section to the south line of said quarter-quarter section, thence east along the south line of said quarter-quarter section to the northwest corner of the east half of the southwest quarter of said section 33, thence south along the west line of said half-quarter-quarter section to the south line of said quarter-quarter section, thence east along the south line of said quarter-quarter section to the northwest corner of the east half of the southwest quarter of said section 33, thence south along the west line of said half-quarter-quarter section to the south line of said quarter-quarter section, thence east along the south line of said quarter-quarter section to the northwest corner of the east half of the southwest quarter of said section 33, thence south along the west line of said half-quarter-quarter section to the south line of said quarter-quarter section, thence east along the south line of said quarter-quarter section to the northwest corner of the east half of the southwest quarter of said section 33, thence south along the west line of said half-quarter-quarter section to the south line of said quarter-quarter section, thence east along the south line of said quarter-quarter section to the northwest corner of the east half of the southwest quarter of said section 33, thence south along the west line of said half-quarter-quarter section to the south line of said quarter-quarter section, thence east along the south line of said quarter-quarter section to the northwest corner of the east half of the southwest quarter of said section 33, thence south along the west line of said half-quarter-quarter section to the south line of said quarter-quarter section, thence east along the northwest corner of the east half of the southwest quarter of said section 33, thence south along the west line of said half-quarter-quarter section to the south line of said quarter-quarter section, thence east along

HOW THIN SHOULD SPAGHETTI BE?

That depends upon the variety. But the thinness of any given variety must be consistent. Otherwise it won't cook evenly...

Would it bother you if your spaghetti varied more than six one-thousandths of an inch in thickness?

Probably not.

But it would upset the folks who make our Ann Page Spaghetti. They're such perfectionists.

They keep a micrometer eye on the 32 varieties of pasta products we make.

Perfection and care like this go into the making of all Ann Page Foods.

They're as good if not better than the famous nationally known brands...we guarantee it.

Are Ann Page Foods a good reason for shopping A&P? They're one of many.
